State Maintenance Plan (SMP) by Dean Health Plan

State Maintenance Plan (SMP) by Dean Health is designed to provide a health plan option for members who live or work in areas without adequate access to qualified Tier 1 in-network providers or hospitals.

The **SMP providers** are a combination of Dean Health Plan HMO providers and First Health PPO providers located within the designated SMP counties. The SMP network also includes access to the First Health PPO providers in the following Michigan and Minnesota counties:

Michigan Counties	Minnesota Counties
Gogebic	Cook
Iron	Lake
Dickinson	St. Louis
Menominee	

If no in-network providers are available within your SMP county, you may seek services with a First Health in-network provider located within a neighboring county. You should start with your primary care provider for recommendations to a First Health in-network specialist. You may also contact Dean Health Plan Member Services by calling 800-279-1301 for assistance in locating a nearby in-network provider.

View the **SMP 2025 Provider Directory (First Health Providers)** and the **Supplemental HMO SMP Directory (Dean Health Plan HMO providers)** located on our dedicated webpage at deancare.com/wi-employees.

- HDHP – Deductible Change
- Non-HDHP Plans – Out-of-Pocket Max Change

- **High Deductible Health Plan (HDHP) deductible increase:** Due to recent federal regulation changes regarding Health Savings Account (HSA) availability, the deductible on the HDHP will increase from \$1,600 individual / \$3,200 family to **\$1,650 individual / \$3,300 family.**
- **Maximum Out-Of-Pocket increase: (MOOP)** all non-HDHP options will see a decrease in the MOOP from \$9,450 individual / \$18,900 family to **\$9,200 individual / \$18,400 family.** Due to the comprehensive nature of your benefits, it is very unlikely that any members would reach the MOOP.
