KNOW YOUR BENEFIT ENROLLMENT OPPORTUNITIES

There are certain times throughout the year when you may enroll in health and supplemental insurance benefits, or change your coverage. Visit It's Your Choice 2019 at etf.wi.gov/IYC2019 to learn more about choices available to you, view an eLearning and see instructions on how to enroll. You can also request a paper application from your payroll or benefits office if you are an employee, or from the Department of Employee Trust Funds if you are a retiree.

OPEN ENROLLMENT: OCTOBER 1 - 26, 2018

This is your opportunity to change health plans, change from family to individual coverage, enroll if you had previously deferred coverage, cancel coverage for yourself or an adult dependent child and more. Open enrollment is available to employees, retirees, COBRA continuants, surviving spouses and dependents. Changes become effective January 1, 2019. Generally, if you are not changing coverage, you don't need to do anything. Review What is Changing on the next page.

NEW EMPLOYEES

If you are electing health insurance coverage, you must enroll within 30 days of your date of hire (in an eligible position), or first eligible appointment. Coverage will be effective on the first of the month on or following your hire date, or on the date you are eligible for an employer contribution, whichever you choose. Check with your payroll or benefits office to find out when your employer contribution begins. If you choose to start your coverage before you receive employer contributions, you will pay the full premium.

LIFE CHANGE EVENT

Did you recently have a change in marital status, add a dependent, have an eligible move to a new county or have another life change event? You may be able to enroll or change your coverage outside of the open enrollment period. There are various rules related to life change events. Check out the Life Change Event Guide on the Resources tab at etf.wi.gov/IYC2019 to see what your options are and how long you have to submit an application to enroll or make a change.

RETIREE

When you retire, your health insurance plan (if you are enrolled) will automatically continue in most circumstances. If you terminate employment after 20 years of creditable service but are not eligible for an immediate annuity, you may continue your coverage by filing a Continuation-Conversion Notice (ET-2311) form with ETF within 90 days of your employment termination date. This form is available online or by contacting ETF.

MEDICARE

If you are eligible for Medicare, you and your Medicare-eligible dependents must be enrolled in the hospital (Part A) and medical (Part B) portions of Medicare at the time of your retirement, as soon as you turn age 65 or have another Medicare enrollment opportunity. You will then automatically be enrolled in the prescription drug (Part D) plan, Navitus MedicareRx, offered by Navitus. Because all It's Your Choice plans have coverage options that are coordinated with Medicare, you will remain covered by your health plan even after you enroll in Medicare. Please contact ETF if you do not receive the required Medicare Eligibility Statement (ET-4307) at least one month before your 65th birthday, or if you have been on Social Security disability for 24 months.
TAKE ACTION CHECKLIST

STEP 1  Choose a Plan Design

Active Employees & Retirees Without Medicare
Pages 3 - 4 highlight the differences between the available plan designs. If you choose the Local Access High Deductible Health Plan, skip to step 3.

Retirees With Medicare
Pages 5 - 6 highlight the available Medicare plan designs.
If you choose Medicare Advantage or Medicare Plus, skip to step 3.

STEP 2  Choose a Health Plan

Pages 7 - 12 provide maps with available health plans, health plan quality ratings and premium rates.

Things to Consider:
• Monthly premium costs.
• Non-emergency out-of-network services are not covered by most non-Medicare plans. Check the provider directories on the Map tab at etf.wi.gov/IYC2019 to ensure your plan covers providers where you receive services.
• Quality matters. Visit etf.wi.gov/IYC2019 to see health plan report cards for performance and quality ratings.

STEP 3  Consider Supplemental Benefits

See page 13 for details on the Uniform Dental Benefit. Check with your payroll or benefits office to see if you are eligible.

STEP 4  Take Action

Visit the Enrollment tab at etf.wi.gov/IYC2019 for instructions on how to enroll or make changes. Contact ETF or your payroll or benefits office if you have questions.

STEP 5  Stay Informed

Sign up for What's New and IYC E-Alerts: Health & Wellness. Visit etf.wi.gov and look for the red envelope.

WHAT IS CHANGING

This section highlights the most significant changes for 2019. Visit etf.wi.gov/IYC2019 for complete information.

HEALTH PLAN CHANGES
Changes can happen each year. Use the interactive map at etf.wi.gov/IYC2019 to find health plans and covered providers where you receive care.

New Plans
• HealthPartners has added a new health plan option, Robin with HealthPartners, with coverage in northeast Wisconsin. See health plan coverage areas on pages 7 - 10.
• It's Your Choice Medicare Advantage with UnitedHealthcare® is a new option for Medicare-enrolled retirees and their Medicare-enrolled dependents. The plan offers Uniform Benefits and a nationwide network. Find more on page 5.

Plan Changes
The State Maintenance Plan (SMP) will be newly available in Buffalo, Marinette, Pepin, Pierce, Polk, Shawano, St. Croix, Waupaca, Waushara and Wood counties.
SMP is no longer available in Iron and Price counties. If you use providers in these counties, you must select another plan or be limited to the SMP providers available in 2019.

PHARMACY BENEFITS
Active Employees & Retirees Without Medicare:
Increased Cost Sharing for Brand Name Level 3 Drugs
Some doctors write prescriptions as “DAW-1,” or “dispense as written.” This means the pharmacist will fill the brand name drug as written on the prescription and will not substitute a generic equivalent.
Starting in 2019, you will pay more for “DAW-1” brand name level 3 drugs unless you cannot take the generic equivalent due to a medical need. If you have medical need, your doctor must submit an FDA MedWatch form to Navitus for the prescription. Your doctor should contact Navitus for the form. Without the form, you will pay the 40% coinsurance plus the cost difference between the brand name drug and its generic equivalent. With the form, you will pay a 40% coinsurance (with a limit of $150), as you have in previous years for Level 3 drugs. Contact Navitus for details. See an example on page 14.

**STEP 1  CHOOSE A PLAN DESIGN**

### Employees and Retirees Without Medicare

No matter which It’s Your Choice (IYC) plan design option or health plan you choose, **the in-network coverage is the same (Uniform Benefits)**. The main differences are premiums and out-of-network benefits. Choose a plan design option that fits best with your situation.

### Health Insurance Required

Uniform Dental is only available if you enroll in health insurance under the WPE Group Health Insurance Program. Contact your benefits office to see if your employer offers the Uniform Dental Benefit.

Your dental coverage will mirror your health insurance; if you elect family health insurance with dental, you will be enrolled in family dental coverage. If you elect individual health insurance with dental coverage, you will be enrolled in individual dental coverage.

Example of “DAW-1” Cost Sharing
Your doctor prescribes you BrandNameStatin and marks it “DAW-1.”

30-Day Supply Costs
BrandNameStatin:
- With insurance, FDA MedWatch Form Submitted: $150
- With Insurance, No FDA MedWatch Form: $1,250
- Before insurance: $2,000

Generic equivalent:
- With Insurance: $5
- Before insurance: $900

When having a brand name drug is not medically necessary, you can save money by getting a generic.

BrandNameStatin Cost Calculation
$2,000 x 40% = $800 → $150
You pay 40% of the original drug price. There is a limit of $150. This is your total cost if a FDA MedWatch form is submitted.

$2,000 - $900 = $1,100
If no FDA MedWatch form is submitted, you also pay the cost difference between the brand name drug and generic equivalent.

$150 + $1,100 = $1,250
Your total cost if no FDA MedWatch form is submitted.
