ET-2158 (9/3/2019)
PO4, PO14
What's Changing in 2020

Health Plans
Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

No Longer Available
- Security Health Plan - Central
- Security Health Plan - Valley

If you are currently enrolled in one of the health plans above, you must enroll in a new plan during open enrollment. If you do not, you will not have coverage as of January 1, 2020. Find health plans available in your area on pages 9-12. Provider directories are available on our website.

Service Area Changes
Dean Health Plan - Prevea360 will expand to include the following western counties: Barron, Buffalo, Chippewa, Dunn, Eau Claire and Pepin.

WEA Trust - East will expand to include the following counties: Langlade, Lincoln, Oneida, Price, Taylor and Vilas. WEA Trust - East will also offer limited provider availability in Forest County.

Network Health will expand to include Marathon County.

The State Maintenance Plan (SMP) will no longer be available in the following counties: Buffalo, Marinette, Polk, Shawano, St. Croix, Waupaca, Waushara and Wood.

SMP will continue to be offered in the following counties: Florence, Forest, Pepin, Pierce and Rusk. Make sure your providers are in-network or select another plan.

New Enrollment Option for Retirees
Families with Medicare & Non-Medicare Members
Are there people on your health insurance that are not enrolled in Medicare? Now, when you enroll in Medicare Advantage or Medicare Plus, you can enroll in a second health plan for your non-Medicare members.

Why make a change? This option may help you save on monthly premiums, since both plans have low premiums. To see if this could save you money, turn to pages 14-15.

New Life Event for Retirees
Becoming Medicare Eligible or Ineligible
When you or someone on your health insurance becomes eligible for Medicare or no longer eligible, you can now choose a new health plan or plan design.

You must file an application within 30 days of the Medicare coverage change. This is not an opportunity to enroll.

Uniform Dental Benefits
New benefits include:
- No-cost periodontal maintenance
- Pulp vitality test (helps a dentist determine a treatment plan)
- Caries assessments (helps predict future dental health)
Supplemental Dental
Three new plans are available. The Preventive Plan offers the same benefits as Uniform Dental, with coverage for basic procedures such as cleanings, fluoride treatment, fillings and orthodontics. The Select plan and Select Plus plan cover items such as crowns, bridges, dentures, implants and root canals. Learn more on pages 16-18.

Available to:
- Employees, if your employer offers it
- All retirees

Pharmacy Benefits
Vaccines at Pharmacies Covered
Vaccines will be covered at in-network retail pharmacies. Find an in-network pharmacy at etf.benefits.navitus.com (no login required).

New Medical Benefit
Bariatric surgery and weight loss services will be provided for participants with a body mass index (BMI) of 35 or greater, or as determined by your health plan.

Your Enrollment Checklist

I’m happy with my benefits

☐ Review changes for next year
   Each year there are changes to your benefits. Make sure that your plan is still available in your area.

☐ Make sure your doctors are still covered
   Go to our website to see the provider directory for your health plan.
   If you are not changing health coverage, no action is needed.

I’d like to make a change or I’m new

☐ Follow the steps in this guide

☐ Enroll
   Employees: Contact your payroll/benefits office.
   Retirees: Complete a paper application or go to our website to learn how to enroll.

Questions?
Employees: Contact your payroll/benefits office.

For Participants without Medicare

Step 1: Choose a Plan Design

A plan design determines:
- How much you pay per month
- How much you pay when you visit a provider
- Whether you can see providers locally or nationwide
- If you can see providers out-of-network

Quick Comparison
