

Security Health Plan - Central

Security Health Plan No Longer Available in 2020

State of Wisconsin Group Health Insurance Program

You must select a new health plan during open enrollment if you are covered by:

- Security Health Plan – Valley
- Security Health Plan – Central

Your coverage through Security Health Plan will end December 31, 2019.

Will I have to change doctors?

Good news! You'll most likely be able to keep your current doctors.

of Security Health Plan providers are covered by other health plans available to you.

In each area where Security Health Plan is no longer available, there are at least two options. No matter which health plan you choose, the same benefits are covered. When you pick a health plan, you are selecting which providers you want to see.

What do I need to do?

You need to enroll in a new health plan during open enrollment, September 30 – October 25, 2019.

Visit etf.wi.gov/benefits-by-employer and follow the prompts.

On our website, you will find:

- Steps on how to choose a new health plan under the **How to Choose & Enroll in Your Benefits** menu
- A list of plans available in your area and provider directories with the **Health Plan Search** (found under the Health Insurance menu).

Will my costs go up?

This depends on whether you are with the state or local group plan, and which health plan you choose. Find premium rates at etf.wi.gov/benefits-by-employer. If you are a local employee, see your employer for your premium rates.

What if I will be in the middle of the treatment plan?

ETF has a helpful guide to transitioning health plans during treatment available at etf.wi.gov/resource/transitioning-care-new-health-plan
