About This Guide

This guide provides a high-level overview of benefits available to you for 2021; open enrollment is **September 28 - October 23, 2020**. For complete information, visit [etf.wi.gov/benefits-by-employer](http://etf.wi.gov/benefits-by-employer)

Your Enrollment Checklist

### I’m happy with my benefits

- **Review changes for next year**
  Each year there are changes to your benefits. Make sure that your plan is still available in your area. You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now.
  - Every year, you **do** need to re-enroll for other options, like an FSA account.

- **Make sure your doctors are still covered**
  Go to our website to see the provider directory for your health plan.
  If you are not changing health coverage, no action is needed.

- **Re-enroll in pre-tax savings accounts**
  If you have any of the following accounts, you must re-enroll each year:
  - Health Care Flexible Spending Account (FSA)
  - Limited Purpose Health Care Flexible Spending Account (LPFSA)
  - Dependent Day Care Account
  - Parking & Transit Accounts
  - Health Savings Account (HSA)
  Visit our website for enrollment instructions.

### I’d like to make a change or I’m new

- **Learn the way that works best for you, either:**
  Use ALEX®, our virtual benefits counselor. He will ask you a few questions about your health care needs, crunch some numbers and point out what benefits make the most sense for you.
  Visit [etf.wi.gov/ALEX](http://etf.wi.gov/ALEX) to get started. Or follow along in this guide. There are steps and guidance throughout.

- **Enroll**
  Once you’ve used ALEX or followed the steps in this book, go to our website to learn how to enroll.

### I’d like to opt out

You may be eligible to receive $2,000 for opting out of health insurance for 2021. To receive this incentive, **you must opt out every year**.

- **Review eligibility and important considerations on our website**
  Search for “opt out” on our website.

- **Submit application**
  STAR and UW employees can opt out electronically. Check with your employer to see if you can. If not, submit the *Health Insurance Application/Change* (ET-2301) form.

Contact your payroll/benefits office if you have questions.
What’s Changing in 2021

Health Plans
Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

Service Area Changes
The State Maintenance Plan will no longer be available in Forest County. Make sure your providers are in-network or select another plan.

New Administrator for Vision
DeltaVision, in partnership with EyeMed Vision Care, is the new administrator for the supplemental vision benefit. If you currently have supplemental vision, your enrollment will automatically transfer to DeltaVision for plan year 2021. Keep an eye on your mailbox for your new vision member card from EyeMed!

Pre-Tax Savings Accounts
Limit Increases
Annual contribution limits have been raised for multiple pre-tax savings accounts. The Health Care Flexible Spending (FSA) and Limited Purpose Flexible Spending Account (LPFSA) carryover limit has increased to $550. See page 16 for details.

New Eligible Expenses
Eligible expenses for Health Savings Accounts and FSAs now include:
- Over-the-counter drugs and medicines not prescribed by a doctor (aspirin, cough medicine, decongestants, etc.).
- Menstrual care products (pads, liners, tampons, etc.).

Parking & Transit Availability
UW System employees may enroll in parking and transit accounts for plan year 2021. Elections will be effective January 1, 2021.

New Medical Benefit
Biofeedback for urinary incontinence will now be covered.

Supplemental Insurance
Accident Plan
The accidental death and dismemberment (AD&D) payment amount has been increased for members up to $100,000.

Long-Term Care Insurance
Long-term care insurance is open for new enrollments with HealthChoice. Enrollment is available throughout the plan year. See the ETF website for more details.

Wellness
New “Health Check” Activities
You have more options to complete your “health check” activity, including a routine dental exam or a health coaching call, to earn your $150 Well Wisconsin incentive in 2021.

Health Plan-Offered Wellness Incentives
Due to ongoing tax administration concerns, health plans will no longer be offering wellness incentives effective January 1, 2021. You remain eligible for the $150 wellness incentive available via Well Wisconsin, administered by StayWell.

HDHP Telehealth
Not only is telehealth fast and affordable, it’s also available to most members without any out-of-pocket costs. Federal COVID-19 relief legislation allows for telehealth services to be covered under a high deductible health plan (HDHP) before the deductible is met for plan year 2021.

Electronic Pharmacy Enhancements
Navitus, the Pharmacy Benefit Manager, will launch the new eHealth Program for electronic prescribing, electronic prior authorization, and pharmacy benefit check. This new tool accesses your pharmacy benefit information at the site of care, helping to ensure your prescriptions are cost-effective and integrate with your current drug regimen. Your doctor can also submit electronic prescriptions and electronic prior authorizations, helping you to get the medications you need faster.
Your Health Benefits and COVID-19

ETF continues to work closely with state health officials and health plans to ensure you receive the care you need during the COVID-19 outbreak. Visit etf.wi.gov/etf-response-covid-19 for the latest information about your health benefits and COVID-19.

Testing
Your health plan provider will cover diagnostic and antibody testing received from an in-network provider. Cost sharing may apply. Some plans may cover out-of-network testing. Contact your plan for details.

Vaccine Coverage
Should a COVID-19 vaccine become available during the 2021 plan year, the vaccine will be covered by your health plan.

ETF Will Not Attend In-Person Benefit Fairs
Instead, ETF will host online events to provide information for the 2021 health plan year and answer your questions in an online forum.

- **Register online**
  Register anytime for an online event that fits with your schedule.

- **Save time, stay safe**
  Ask your questions from the comfort of home, no travel needed.

- **Stay connected**
  Hear from vendors like Delta Dental and StayWell, and ask your questions directly to the health plans.

Visit etf.wi.gov for member education opportunities and to register.
Step 1: Choose a Plan Design
A plan design determines:
- How much you pay per month
- How much you pay when you visit a provider
- Whether you can see providers locally or nationwide
- If you can see providers out-of-network

Step 2: Choose a Health Plan

Complete this step if you selected the IYC Health Plan or HDHP. Skip this step if you selected an Access Plan design with nationwide coverage; your health plan is WEA Trust.

A health plan determines:
- Where you can receive care
- What providers you can see

Provider directories can be found on our website. Some plans let you see providers in nearby states.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit [etf.wi.gov](http://etf.wi.gov) for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.
Step 3: Consider Supplemental Benefits

Get even more coverage by signing up for dental, vision or accident insurance.

Get a tax break and save money by contributing to a pre-tax savings account for health care, dependent day care or work-related parking/transit expenses.

Dental Insurance

Step 1: Sign up for basic coverage
Get covered for basic procedures such as cleanings, fluoride treatment, fillings and orthodontia

**Uniform Dental**
Available to those *enrolled* in health insurance under the State of Wisconsin Group Health Insurance Program

**Delta Dental PPO Plus Premier™ – Preventive Plan**
Only available to those *not enrolled* in health insurance through the program

Step 2: Add more coverage if needed
Get covered for items such as crowns, bridges, dentures, implants and root canals

**Delta Dental PPO™ - Select Plan**

**Delta Dental PPO Plus Premier™ - Select Plus Plan**

Monthly Cost (Premium)
The Uniform Dental premium is added to your health insurance premium. Preventive Plan, Select Plan and Select Plus Plan are separate deductions.

## Things to Note
- Uniform Dental coverage mirrors your health insurance coverage. Example: If you elect family health insurance with dental, you will be enrolled in family dental coverage.
- Enrollment continues each year unless you cancel during the open enrollment period.
- Make sure your dentist is covered. The Select Plan has fewer in-network dentists than the Select Plus, Uniform Dental and Preventive plans.

All plans are offered through Delta Dental.

Visit their website and create an account to find in-network providers, print ID cards, view your claims and more!
Vision Insurance

DeltaVision, in partnership with EyeMed Vision Care, will be the plan administrator beginning January 2021. Check that your vision provider is in network, or note the cost and coverage differences for out-of-network providers. Visit [www.deltadentalwi.com/state-of-wi-vision](http://www.deltadentalwi.com/state-of-wi-vision) to find more coverage information and [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com) for in-network providers.

### Monthly Cost (Premium)

The DeltaVision premium is an additional monthly cost, and is not included in your health insurance premium. Note the cost and coverage differences when you choose to see an in- or out-of-network provider.

**How It Works**
Here’s an example of how Securian Financial’s accident insurance works*: Janet elects accident coverage offered by her employer. Janet falls, breaks her leg, and spends two days in the hospital. Janet gets a payment from Securian Financial and uses the money to pay her mortgage and obtain a cleaning service.

Need Care Fast? Know Your Options
