

Quartz Network Change Overview

2022 Open Enrollment Period • Department of Employee Trust Funds

The current Quartz Community Network is being discontinued at the end of plan year 2021. It is being replaced by two new network offerings – Quartz Central and Quartz West.

Action Required

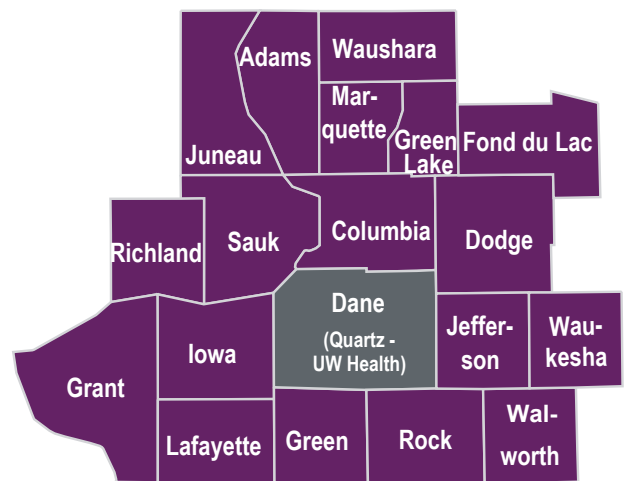

- Current Quartz Community Members should select a new health plan during open enrollment.
- If a new health plan is not selected, current Quartz Community members will be assigned to either the Central or West network, depending on the location of their primary care provider.

Quartz Central

- Covers middle and eastern parts of Wisconsin
- Does not include Dane County
- Key provider systems include Aurora Health System, ProHealth Care, and ThedaCare

Covered Counties:

Adams, Columbia, Dodge, Fond du Lac, Grant, Green, Green Lake, Iowa, Jefferson, Juneau, Lafayette, Marquette, Richland, Rock, Sauk, Walworth, Waukesha, and Wood

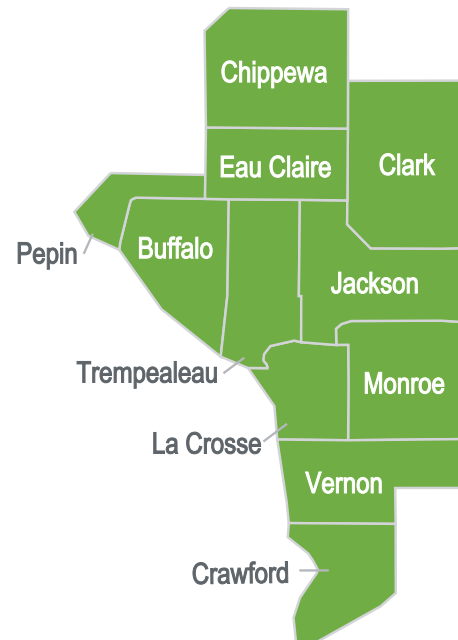

Quartz West

- Covers western counties in Wisconsin
- Features Gundersen Health System clinics and providers

Covered Counties:

Buffalo, Chippewa, Clark, Crawford, Eau Claire, Jackson, La Crosse, Monroe, Pepin, Trempealeau, and Vernon

No Change for Quartz – UW Health Members

The Quartz – UW Health Network, providing coverage to Dane County, will not be impacted by this change. Quartz UW-Health members will automatically continue their current enrollment unless they change their elections during open enrollment.
