About This Guide

This guide provides a high-level overview of benefits available to you for 2022; open enrollment is September 27 to October 22, 2021. For complete information, visit etf.wi.gov/benefits-by-employer

Your Enrollment Checklist

I’m happy with my benefits

☐ Review changes for next year
   Each year there are changes to your benefits. Make sure that your plan is still available in your area. You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now.
   • Every year, you do need to re-enroll for other options, like an FSA account.

☐ Make sure your doctors are still covered
   Go to our website to see the provider directory for your health plan.
   If you are not changing health coverage, no action is needed.

☐ Re-enroll in pre-tax savings accounts
   If you have any of the following accounts, you must re-enroll each year:
   • Health Care Flexible Spending Account (FSA)
   • Limited Purpose Flexible Spending Account (LPFSA)
   • Dependent Day Care Account
   • Parking & Transit Accounts
   • Health Savings Account (HSA)
   Visit our website for enrollment instructions.

I’d like to make a change or I’m new

☐ Learn the way that works best for you, either:
   Use Benefits Mentor, our virtual benefits counselor. The tool will ask you questions about your health care needs and pull up your claims information from last year (if available). It will make personalized plan design recommendations after considering your medical needs and what is most important to you when choosing a health plan.
   Visit etf.wi.gov/benefits-mentor to get started.
   Or follow along in this guide. There are steps and guidance throughout.

☐ Enroll
   Once you’ve used Benefits Mentor or followed the steps in this book, follow your employer’s directions on how to enroll.

I’d like to opt out

You may be eligible to receive $2,000 for opting out of health insurance for 2022. To receive this incentive, you must opt out every year.

☐ Review eligibility and important considerations on our website
   Search for “opt out” on our website.

☐ Submit application
   STAR and UW employees can opt out electronically. Check with your employer to see if you can. If not, submit the Health Insurance Application/Change (ET-2301) form.

Contact your payroll/benefits office if you have questions.
What’s Changing in 2022

Health Plans
Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

New Health Plan
No Action Required: Aspirus Health Plan is newly available for the 2022 plan year. See Health Plans by County on page 7 for coverage details.

Service Area Change
Action Required for Quartz Community Members: Quartz Community is now Quartz Central and Quartz West. Members currently enrolled in Quartz Community should select a new health plan. If you don’t select a new health plan, you will be enrolled in a renamed Quartz offering based on the location of your current primary care provider/clinic. See Health Plans by County on page 7 for coverage details.

State Maintenance Plan
The State Maintenance Plan is newly available in Florence County. Make sure your providers are in-network or select another plan.

Benefit Changes
Medical Benefit Changes
• Coverage added for medically necessary orthognathic surgeries (i.e., corrective jaw surgeries).
• The medical maximum out-of-pocket limit updated to follow the annual federal maximum updated values.
• All medical benefits will be applied to the maximum out-of-pocket limit.
• The timeframe requirement for extractions/dental repairs due to accidents has been removed.
• Telemedicine coverage updated. See etf.wi.gov/telemedicine for more details.

Pharmacy Benefit Changes
• Continuous Glucose Monitors are now covered on the pharmacy benefit. Coverage is now available under both the medical and pharmacy benefit.
• Level 4 pharmacy benefit out-of-pocket limit has been removed.

Dental Benefit Changes
Coverage added for composite resin fillings for back teeth to the Uniform Dental benefit. White composite resin fillings will be covered for both front and back teeth in 2022.

Pre-Tax Savings Accounts
Vendor Name Change
Optum Financial has replaced the ConnectYourCare name and brand throughout the member experience.
• Customer service offerings will remain the same.
• Payment cards will not be reissued – use the same card until it expires.

Limit Increases
Annual contribution limits have been raised for Health Savings Accounts. See page 16 for details.

New Eligible Expenses
Eligible expenses for Health Savings Accounts and Flexible Spending Accounts now include personal protective equipment (PPE) for the primary purpose of preventing the spread of COVID-19 (face masks, disposable gloves, hand sanitizer, sanitizing wipes, etc.).

Accident Plan
UW Hospital & Clinics employees are eligible to enroll in the Accident Plan for coverage beginning January 1, 2022.

Beginning January 1, 2022, cash payment amounts for most claims will increase. Outpatient rehabilitation therapy will be newly covered in 2022.

Wellness
Vendor Name Change
WebMD has acquired StayWell and is now the Well Wisconsin program vendor.
Open Enrollment 2022

ETF will be hosting a number of webinars during the open enrollment period for you to learn about the 2022 plan year. You’ll have the opportunity to ask questions directly to health plans and vendors like Delta Dental and WebMD. Visit [etf.wi.gov/health](http://etf.wi.gov/health) to register.

# COVID-19: You Stop the Spread

The most effective way to stop the spread of COVID-19 is to get vaccinated. COVID-19 vaccines are covered by the medical and pharmacy benefit for all non-Medicare members, and by the medical benefit (Part B) for Medicare members.

In addition to your doctor or health care provider, the Wisconsin Department of Health Services recommends the following places to get your free COVID-19 vaccine:

- Pharmacies
- Community-based or pop-up vaccination clinics
- Local or tribal health departments

To find a COVID-19 vaccine site in your community, visit [www.vaccines.gov](http://www.vaccines.gov) and enter your ZIP code.

Questions about the COVID-19 vaccine or an additional dose of the vaccine? Visit [www.dhs.wisconsin.gov/covid-19/vaccine.htm](http://www.dhs.wisconsin.gov/covid-19/vaccine.htm), or call 211 or 1-877-947-2211.

# Introducing Benefits Mentor

Benefits Mentor also considers your medical needs and what is most important to you when choosing a health plan.

You will need to register and verify your email address prior to using Benefits Mentor for the first time. Visit [etf.wi.gov/benefits-mentor](http://etf.wi.gov/benefits-mentor) to get started!

**GET YOUR MEDS DELIVERED TO YOUR DOOR**

Home delivery provided by Serve You DirectRx is a benefit offered by your employer. Learn how to get started by visiting [ServeYouRx.com](http://ServeYouRx.com) or call 800-481-4940.
Step 2: Choose a Health Plan

Complete this step if you selected the IYC Health Plan or HDHP. Skip this step if you selected an Access Plan design with nationwide coverage; your health plan is WEA Trust.

A health plan determines:
- Where you can receive care
- What providers you can see

Provider directories can be found on our website. Some plans let you see providers in nearby states.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit etf.wi.gov for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.
Step 3: Consider Supplemental Benefits

Get even more coverage by signing up for dental, vision, or accident insurance.

Get a tax break and save money by contributing to a pre-tax savings account for health care, dependent day care, or work-related parking/transit expenses.

Dental Insurance

Step 1: Sign up for basic coverage
Get covered for basic procedures such as cleanings, fluoride treatment, fillings, and orthodontia

- **Uniform Dental**
  Available to those enrolled in health insurance under the State of Wisconsin Group Health Insurance Program

- **Delta Dental PPO Plus Premier™ - Preventive Plan**
  Only available to those not enrolled in health insurance through the program

Step 2: Add more coverage if needed
Get covered for items such as crowns, bridges, dentures, implants, and root canals

- **Delta Dental PPO™ - Select Plan**
- **Delta Dental PPO Plus Premier™ - Select Plus Plan**

Monthly Cost (Premium)

The Uniform Dental premium is added to your health insurance premium. Preventive Plan, Select Plan, and Select Plus Plan are separate deductions.

### Things to Note

- **Uniform Dental coverage mirrors your health insurance coverage. Example:** If you elect family health insurance with dental, you will be enrolled in family dental coverage.
- **Enrollment continues each year unless you cancel during the open enrollment period.** You cannot cancel your dental election(s) mid-year without a qualifying event.
- **Make sure your dentist is covered.** The Select Plan has fewer in-network dentists than the Select Plus, Uniform Dental, and Preventive plans.

Vision Insurance 🕶️

DeltaVision, with EyeMed Vision Care, is the plan administrator. Check that your vision provider is in-network, or note the cost and coverage differences for out-of-network providers.

Visit [www.deltadentalwi.com/state-of-wi-vision](http://www.deltadentalwi.com/state-of-wi-vision) for complete coverage details and [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com) for in-network providers.

### Monthly Cost (Premium)

The DeltaVision premium is an additional monthly cost, and is not included in your health insurance premium. Note the cost and coverage differences when you choose to see an in- or out-of-network provider.

**How It Works**
Here's an example of how Securian Financial’s accident insurance works*: Janet elects accident coverage offered by her employer. Janet falls, breaks her leg, and spends two days in the hospital. Janet gets a payment from Securian Financial and uses the money to pay her mortgage and obtain a cleaning service.
