## ***II. Description of Benefits***

Delta Dental has been selected by your employer to provide your dental benefits administration. All of us at Delta Dental are pleased to provide this service to you and any dependents you have enrolled. As a participant of this dental Plan, you are free to see any dentist you choose on a treatment-by-treatment basis whether or not the dentist is included in our Delta Dental PPO Dentist Directory. It is important to remember, however, that your out-of-pocket costs may be lower when you see a Delta Dental PPO dentist.

### **Delta Dental PPO Dentists**

Delta Dental PPO Dentists have signed a contract with Delta Dental, agreeing to accept reduced fees for the dental procedures they provide. This reduces your out-of-pocket costs, because you will be responsible only for applicable deductible amounts, copayments and coinsurance for benefits. And because these dentists agree to fees approved by Delta Dental, they receive payment directly from Delta Dental.

### **Dentists Outside the Delta Dental PPO Network**

#### **Delta Dental Premier Dentists**

Delta Dental Premier Dentists have signed a contract with Delta Dental, agreeing to accept direct payment from Delta Dental. They have also agreed not to charge you any amount that exceeds the Maximum Plan Allowance (MPA). However, you are still responsible for deductibles, copayments, coinsurance, and fees for services that are not benefits under this dental Plan.

The Maximum Plan Allowance is the total dollar amount allowed for a specific benefit. The Maximum Plan Allowance will be reduced by any deductible and coinsurance you are required to pay.

#### **Non-contracted Dentists**

If your dentist has not signed a contract with Delta Dental, there is no benefit available. For information on Delta Dental PPO or Delta Dental Premier Dentists, visit Delta Dental's website at [www.deltadentalwi.com](http://www.deltadentalwi.com) or call 844-337-8383.

### **Maximum Plan Allowance (MPA)**

Maximum Plan Allowance (MPA) means the total dollar amount allowed under the contract for a specific benefit. The MPA will be reduced by any deductible and coinsurance subscriber or covered dependent is required to pay.

### **Filing Claims**

To file a claim with Delta Dental, simply present your ID card to the receptionist at the dental office, or give your Member ID number.

### **Predetermination of Benefits**

After an examination, your dentist may recommend a treatment plan. If the services involve high cost services, ask your dentist to send the treatment plan with radiographs to Delta Dental. The available coverage will be calculated and printed on a Predetermination of Benefits form. Copies of the form will be sent to you and your dentist.

The Predetermination of Benefits form is valid for 1 year from the date issued.

Predeterminations are not required, but Delta Dental encourages you to use this service. Should you have any questions about a predetermination, just call us at 844-337-8383.

Before you schedule dental appointments, you should discuss with your dentist the amount to be paid by Delta Dental and your financial obligation for the proposed treatment.

### **Optional Treatment**

Delta Dental will pay the applicable Maximum Plan Allowance for the least expensive dental procedure that is adequate to restore the tooth or dental arch to contour and function, but only if that dental procedure is a benefit under your dental Plan. You will be responsible for the remainder of the dentist's fee if a more expensive dental procedure is selected. The coinsurance and deductible will apply regardless of which dental procedure is selected.

### **Clerical or Administrative Error**

If a clerical error or other administrative mistake occurs, that error will not deprive you of coverage under your dental Plan that you would otherwise have had. A clerical error or other administrative mistake also will not create coverage for you under your Plan if coverage does not otherwise exist.

### **Coordination of Benefits**

#### **Applicability**

This Coordination of Benefits (COB) provision applies to this Plan when you or a covered dependent has health care coverage under more than one Plan. "Plan" and "this Plan" as used in this Coordination of Benefits provision are defined below.

If this COB provision applies, the Order of Benefit Determination Rules shall be applied first. The rules determine whether the benefits of this Plan are determined before or after those of another plan. The benefits of this Plan:

1. shall not be reduced when under the Order of Benefit Determination Rules, this Plan determines its benefits before another plan, but
2. may be reduced when, under the Order of Benefit Determination Rules, another plan determines its benefits first. This reduction is described in the section, "Effect on the Benefits of This Plan".

#### **Definitions**

The following definitions apply to this Coordination of Benefits provision:

"Allowable Expense" means a necessary, reasonable, and customary item of dental expense that is covered at least in part by one or more of the plans covering the person for whom the claim is made. When a plan provides benefits in the form of services, the reasonable cash value of each procedure provided shall be considered both an Allowable Expense and a benefit paid.

"Claim Determination Period" means a calendar year during which Allowable Expenses are compared with total benefits payable under the policy (without applying COB). It does not include any part of a year during which a person has no coverage under this Plan or any part of a year before the date this COB provision or a similar provision takes effect.

"Plan" means any of the following that provides benefits or services for, or because of, medical or dental care or treatment:

1. Group insurance or group-type coverage, whether insured or uninsured, that includes continuous 24-hour coverage. This includes prepayment, group practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
2. Coverage under a governmental Plan or coverage that is required or provided by law. This does not include a state Plan under Medicaid, Title XIX, grants to states for medical assistance programs, or the United States Social Security Plan whose benefits, by law, are excess to those of any private insurance program or other nongovernmental program. Each contract or other arrangement for coverage under 1. or 2. is a separate Plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.

“Primary Plan/Secondary Plan”: The Order of Benefit Determination Rules state whether this Plan is a primary Plan or secondary Plan as to another Plan covering the person. When this Plan is a secondary Plan, its benefits are determined after those of the other Plan and may be reduced because of the other Plan’s benefits. When Delta Dental is the secondary Plan, Delta Dental may reduce the benefits under its Plan only when the sum of the following exceeds the total allowable expense in a Claim Determination Period.

1. The benefits the secondary Plan would pay for allowable expenses in the absence of COB; plus
2. The benefits that would be payable under other applicable Plans for allowable expenses in the absence of COB, whether or not claim is made.

The amount by which the secondary Plan’s benefits are reduced shall be used by the secondary Plan to pay allowable expenses not otherwise paid, which were incurred during the Claim Determination Period by the person for whom the claim is made. As each claim is submitted, the secondary Plan determines its obligation to pay for allowable expenses based on all claims which were submitted up to that point in time during the Claim Determination Period.

When there are more than two Plans covering the person, this Plan may be a primary Plan as to one or more other Plans and may be a secondary Plan as to a different Plan or Plans.

“This Plan” means this dental Plan that provides benefits for dental care expenses.

### **Order of Benefit Determination Rules**

**General.** When there is a basis for a claim under this Plan and another Plan, this Plan is a secondary Plan, which has its benefits determined after those of the other Plan, unless:

1. the other Plan has rules coordinating its benefits with those of this Plan; and
2. both those rules and this Plan’s rules described in subparagraph 2(b) require that this Plan’s benefits be determined before those of the other Plan.

**Rules.** This Plan determines its order of benefits using the first of the following rules, which applies.

1. Nondependent/Dependent. The benefits of the Plan that covers the person as an employee, member or subscriber are determined before those of the Plan that covers the person as a dependent of an employee, member or subscriber.
2. Dependent Child/Parents Not Separated or Divorced. Except as stated in subparagraph 3c below, when this Plan and another Plan cover the same child as a dependent of different persons, called “parents”:
  - a. The benefits of the Plan of the parent whose birthday falls earlier in the calendar year are determined before those of the Plan of the parent whose birthday falls later in the calendar year; but

- b. If both parents have the same birthday, the benefits of the Plan that covered the parent longer will be determined before those of the Plan that covered the other parent.

However, if the other Plan does not have the rule described in *a.* but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan shall determine the order of benefits.

- 3. Dependent Child/Separated or Divorced Parents. If two or more Plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:
  - a. First, the Plan of the parent with custody of the child;
  - b. then, the Plan of the spouse of the parent with custody of the child; and
  - c. finally, the Plan of the parent not having custody of the child.

Also, if the specific terms of a court decree state that the parents have joint custody of the child and do not specify that one parent has responsibility for the child's dental care expenses or if the court decree states that both parents shall be responsible for the dental care needs of the child but gives physical custody of the child to one parent and the entities obligated to pay or provide benefits of the respective parents' Plan have actual knowledge of those terms, benefits for the dependent child shall be determined according to paragraph *2b*;

however, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of a child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or Plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

- 4. Active/Inactive Employee. The benefits of a Plan which covers a person as an employee who is neither laid off nor retired or as that employee's dependent are determined before those of a Plan which covers that person as a laid off or retired employee or as that employee's dependent. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule 4. is ignored.
- 5. Continuation Coverage.
  - a. If a person has continuation coverage under federal or state law and is also covered under another Plan, the following shall determine the order of benefits:
    - 1) First, the benefits of a Plan covering the employee, member, or subscriber or dependent of an employee, member, or subscriber.
    - 2) Second, the benefits under the continuation coverage.
  - b. If the other Plan does not have the rule described in subparagraph a., and if as a result, the Plans do not agree on the order of benefits, this paragraph 5. is ignored.
- 6. Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

If a covered person is entitled to coverage under a group health care Plan which primarily covers services or expenses other than dental care, and if the covered person first became eligible under the medical and dental Plans on the same date, this dental Plan shall be the secondary payer for those services covered by both Plans.

## **Effects on the Benefits of This Plan**

**When This Provision Applies.** This “Effects on the Benefits of This Plan” provision applies when, in accordance with the “Order of Benefit Determination Rules” provision above, this Plan is a secondary Plan as to one or more other Plans. In that event, benefits of this Plan may be reduced under this paragraph so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses. Such other Plan or Plans are referred to as “the other Plans” in the “Reduction in This Plan’s Benefits” provision below.

**Reduction in This Plan’s Benefits.** The benefits that would be payable under this Plan in the absence of this COB provision will be reduced by the benefits payable for the total allowable expenses in a Claim Determination Period under the other Plans in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made.

When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an expense incurred and a benefit payable.

When the benefits of this Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this Plan.

**No Rule in the Other Plan.** If the other Plan does not have rules coordinating benefits with those of this Plan, the benefits of the other Plan are determined first.

## **Right to Receive and Release Needed Information**

Delta Dental has the right to decide the facts it needs to apply these rules. Delta Dental may get needed facts from or give them to any other organization or person without your consent, but only as needed to apply these COB rules. Medical and dental records remain confidential as provided by applicable state and federal law. Each person claiming benefits under this Plan must give Delta Dental any facts it needs to process the claim.

## **Facility of Payment**

A payment made under another Plan may include an amount that should have been paid under this Plan. If it does, this Plan may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this Plan. Delta Dental will not have to pay that amount again. The term “payment made” means reasonable cash value of the benefits provided in the form of services.

## **Right of Recovery**

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, it may recover the excess, at its option, from one or more of:

1. the persons it has paid or for whom it has paid;
2. insurance companies; or
3. other organizations.

The “amount of payments made” includes the reasonable cash value of any benefits provided in the form of services.

## Eligibility

### Covered Employee/Retiree

You are covered by this dental Plan while you are an eligible employee or retiree of the group.

You may also be covered by this dental Plan if you no longer meet the eligibility conditions but have elected to continue coverage as described in the **Federal Continuation Provision (COBRA)** section of this Description of Benefits.

### Covered Dependents

If you are enrolled in family coverage under this Plan, each member covered by the State of Wisconsin Group Health Insurance Program for medical coverage will also be covered under this Plan.

Dependents no longer meeting these requirements because of divorce or separation from an eligible employee, or the end of a child's dependency status may elect to continue coverage. Please see the **Federal Continuation Provision (COBRA)** section of this Description of Benefits.

Plan Sponsor reserves the right to require that an enrollee or Covered Employee seeking coverage of a dependent provide written documentation, initially and annually thereafter, that the dependent child satisfies the requirements for coverage under this Plan.

### Effective Dates of Coverage

You are covered by this dental Plan beginning on the first day this dental Plan becomes effective or as determined by the group.

Your eligible dependents are covered beginning on the first day you become covered under the dental Plan.

### Changes in Coverage

You may change your enrollment in this dental Plan if there is a qualifying event. The enrollment change will be effective as determined by the group. Notification of the enrollment change must be received by us within 31 days of the change.

You may change your enrollment without a qualifying event during the open enrollment, if an open enrollment period is offered by your group.

### Notices

Notice to the group or Delta Dental will be considered sufficient if mailed to their regular office address. Notices to you, as a subscriber, will be considered sufficient if mailed to your last known address or the last known address of the group. It is the responsibility of the group to notify you regarding changes or termination of your coverage.

## **Termination of Coverage**

Your coverage and that of your eligible dependents ceases on the day you or your dependents are no longer eligible or the day this dental Plan is terminated.

If you or your dependents lose eligibility under the dental Plan, you or your dependents may elect to continue coverage as described in the **Federal Continuation Provision (COBRA)** section of this Description of Benefits.

All coverage ends on the day coverage terminates. Procedures must be fully completed prior to termination of the coverage to be considered for benefit.

All benefits cease on the day coverage terminates. A dental procedure is incurred on the date it is completed. Dental procedures are considered for benefits if they are incurred during the contract term and a claim is filed within one year after the date it is incurred.

## **Coverage Pursuant to Qualified Medical Child Support Order**

The Plan will provide benefits in accordance with the applicable requirements of any qualified medical child support orders (QMCSOs). The Plan Administrator will develop written procedures to determine whether a medical child support order is a QMCSO and to administer the provision of Plan benefits pursuant to QMCSOs. Subscribers and dependents may obtain, without charge, a copy of the QMCSO procedures from the Plan Administrator.

Upon receiving a medical support order, the Plan Administrator will promptly notify the affected dependent and each alternate recipient that the order has been received and describe the Plan's procedures for determining whether the medical child support order is a QMCSO. Within a reasonable period after receiving a medical child support order, the Plan Administrator will determine whether such an order is a QMCSO and will notify the subscriber and each alternate recipient of such determination.

## **Federal Continuation Provisions (COBRA)**

### **Continued Coverage**

If your employer employs more than 20 employees, Title X of the Consolidated Omnibus Budget Reconciliation Act 1985 (COBRA) applies. Under COBRA, if you and your covered dependents were covered under this Plan the day before a Qualifying Event, you are "Qualified Beneficiaries" and may elect continuation of dental coverage under this Plan. COBRA defines a Qualifying Event as:

*For the Subscriber:*

1. The termination of employment, voluntary or involuntary, except for reasons of gross misconduct;  
or
2. The reduction of hours to less than the minimum required for coverage under this dental Plan.

*For Covered Dependents:*

1. If the covered dependent is the subscriber's spouse:
  - a. Death of subscriber; or
  - b. Termination of subscriber's employment, except for reasons of gross misconduct; or

- c. Reduction of subscriber's hours to fewer than the minimum required for coverage under this dental Plan; or
  - d. Divorce or legal separation from subscriber; or
  - e. Subscriber's Medicare entitlement.
2. If the covered dependent is the subscriber's child:
- a. Child ceases to be a dependent; or
  - b. Death of subscriber; or
  - c. Termination of subscriber's employment, except for reasons of gross misconduct; or
  - d. Reduction in subscriber's hours to less than the minimum required for coverage under this dental Plan; or
  - e. Subscriber's Medicare entitlement; or
  - f. Parents become divorced or legally separated.

The group must provide notice to a Qualified Beneficiary of the right to elect COBRA continuation coverage.

A covered dependent whose coverage is terminated due to divorce, legal separation or cessation of eligibility for dependent coverage must provide the group with notice of such event within 60 days of its occurrence.

The Qualified Beneficiary must make an election of continuation coverage within 60 days beginning on the later of the date of the Qualifying Event or the date the Qualified Beneficiary receives notice of COBRA election rights. The COBRA election by a subscriber or a subscriber's covered spouse is deemed an election by all others who would lose coverage as a result of the same-Qualifying Event unless otherwise specified in the election or the covered beneficiary independently elects COBRA continuation coverage.

If election of COBRA continuation coverage is timely, the coverage begins on the date of the Qualifying Event and ends on the earlier of:

1. Eighteen months for all Qualified Beneficiaries after the subscriber's employment termination or reduction in hours.
2. Twenty-nine months after the Qualifying Event for a subscriber or covered dependent who is determined to be disabled under the Social Security Act prior to the 60<sup>th</sup> day of COBRA coverage and the disability continues during the rest of the 18-month COBRA coverage period. The disabled Qualified Beneficiary must notify the Plan of the disability determination within the first 18 months of COBRA coverage. Coverage will also be continued for any non-disabled family member who is a Qualified Beneficiary with respect to the same Qualifying Event.
3. For Qualified Beneficiaries other than the subscriber who experience a second Qualifying Event, 36 months after the date of the initial Qualifying Event.
4. The date on which the Qualified Beneficiary receiving continuation coverage fails to make a timely payment of premium. Delta Dental will not reinstate COBRA continuation coverage once terminated for nonpayment of premium.
5. The date on which the group ceases to offer this dental Plan to any of its employees or members.
6. The date on which coverage begins under another group dental plan; however, a person who has elected COBRA continuation coverage and whose new plan contains a pre-existing limitation clause can maintain COBRA continuation coverage until all pre-existing limitations under the new plan are satisfied.

7. The date the Qualified Beneficiary becomes entitled to Medicare benefits.

The first premium must be paid to the group within 45 days of the election of COBRA continuation coverage and payment must include all premiums from the effective date of COBRA continuation coverage. Future premium payments must be paid by the first day of each month.

The premium for a Qualified Beneficiary who becomes disabled-during the first 60 days of COBRA coverage will be 150% of the single, family, or other applicable rate for the coverage during months 19 through 29 of COBRA coverage. The premium for all other COBRA continuation coverage will not exceed 102% of the rate in effect for the group during months one through 18.

If you have any questions about continued dental coverage, the human resources department at your company can help you.

### **Rights of Recovery (Subrogation)**

If expenses are paid on your behalf under this Plan, the Plan is entitled to all rights of recovery you may have against any other person for those expenses to the extent of the Plan's payment. The Plan can subrogate only if you are fully compensated for all damages, taking into consideration your comparative negligence. You must sign and deliver to the Claims Administrator, Delta Dental, any legal papers relating to the recovery, help exercise these rights and do nothing to harm these rights. If you are fully compensated for all expenses, you must repay the Plan to the extent of the Plan's claim payments.

## **III. Claims Procedures**

### **Claims Administrator Liability**

Delta Dental serves only as the Claims Administrator for this Plan. In no instance is Delta Dental liable for any conduct, including but not limited to tortious conduct or wrongful acts or omissions, by any person providing services to subscribers and covered dependents under this Plan, including but not limited to dentists, dental assistants, dental hygienists, hospitals or hospital employees receiving or providing services. In no instance is Delta Dental liable for services of facilities that, for any reason, are unavailable to a subscriber or covered dependent.

### **Prior Approval of Benefits**

The Plan does not require prior approval of dental procedures; however, you or your dentist may request a predetermination of benefits to obtain advance information on the Plan's possible coverage of dental procedures before they are rendered. Payment, however, is limited to the benefits that are covered under the Plan and is subject to any applicable deductibles, copayments, coinsurance, waiting periods, and annual and lifetime benefit maximums.

### **How to Contest a Claim Denial**

#### **Denial of a Claim for Benefits**

If you make a claim for benefits under this group dental Plan and your claim is denied in whole or in part, you and your dentist, will receive written notification within 30 days after your claim is received, unless special circumstances require an extension of time for processing. The decision will be sent on a form entitled "Explanation of Benefits."

If additional time is necessary for processing a claim for benefits, the Claims Administrator, Delta Dental will notify you and your dentist of the extension and the reason it is necessary within the initial 30-day period. If an extension is needed because either you or your dentist did not submit information necessary to make a benefits determination, the notice of extension will describe the required information. You will have 45 days from receipt of the notice to provide the specified information.

#### **Appealing a Claim Denial (Filing a Grievance)**

If you have questions about the denial of your claim for benefits, please contact Delta Dental at 844-337-8383. Because most questions about benefits can be answered informally, the Plan encourages you first to try resolving any problem by talking with Delta Dental. However, you have the right to file an appeal requesting that the Plan formally review the benefits determination.

To appeal a benefits determination, contact Delta Dental's Benefit Services Department at 844-337-8383, fax your request to 715-343-7611, or mail your request to Delta Dental, P.O. Box 828, Stevens Point, WI 54481. Provide the reasons why you disagree with the benefits determination and include any documentation you believe supports your claim. Be sure to include the subscriber's name, the covered dependent's name if applicable, and the subscriber's Social Security number on all supporting documents.

You must make your request within 180 days of the date of the initial benefits determination denying your claim for benefits.

Delta Dental will acknowledge your written request for review within five days of receiving it. Upon your request, Delta Dental will provide you, free of charge, access to and copies of all documents, records, and other information relevant to your claim for benefits.

Within 30 days of receiving your request, Delta Dental will send you the Plan's written decision and indicate any action the Plan has taken. (Special circumstances may require 60 days.)

You have the right to appear in person before Delta Dental's Grievance Committee to present written and oral information and ask questions of the persons responsible for the determination that resulted in the grievance. Delta Dental will provide you with written notice of the meeting place and time at least seven days before the meeting.

Delta Dental will provide you or your authorized representative with written notice of the Plan's decision on the appeal. If the appeal is denied in whole or in part, that notice will include the following information.

1. The specific reason(s) for the denial of the appeal;
2. Reference to the specific Plan provision(s) on which the denial is based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim;
4. A statement describing any voluntary appeal procedures offered by the Plan and the claimant's right to obtain information about such procedures, and a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA;
5. If an internal processing policy or other similar criterion was relied upon in the denial of the appeal, the notice of such denial also will include either the specific processing policy or a statement that such processing policy was relied upon in denying the appeal and that a copy of that processing policy will be provided free of charge to the claimant upon request;
6. If the denial of the appeal was based on a dental necessity, experimental treatment or similar exclusion or limit, the notice of such denial also will include an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
7. The following statement: "You and your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your state insurance regulatory agency."

There is further review available after Delta Dental's final grievance decision through the Group Insurance Board Administrative Review Process (ETF Chapter 11, Wis. Administrative Code).

Delta Dental's final grievance decision may be reviewed by the Department of Employee Trust Funds (ETF), provided the written request for the review is received by ETF within 60 days after Delta Dental's final grievance decision letter is sent to the PARTICIPANT. Decisions not timely appealed to ETF are final.

Department of Employee Trust Funds  
Attn: Ombudsperson Services
