2023 Health Benefits Decision Guide

State of Wisconsin Group Health Insurance for Employees

ET-2107 (Revised 8/31/2022)
Your Enrollment Checklist

I’m happy with my benefits

☐ Review changes for next year
   Each year there are changes to your benefits. Make sure that your plan is still available in your area. You do not need to re-enroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now.
   • Every year, you do need to re-enroll for other options, like an FSA account.

☐ Make sure your doctors are still covered
   Go to our website to see the provider directory for your health plan.
   If you are not changing health coverage, no action is needed.

☐ Re-enroll in pre-tax savings accounts
   If you have any of the following accounts, you must re-enroll each year:
   • Health Care Flexible Spending Account (FSA)
   • Limited Purpose Flexible Spending Account (LPFSA)
   • Dependent Day Care Account
   • Parking & Transit Accounts
   • Health Savings Account (HSA)
   Visit our website for enrollment instructions.

I’d like to make a change or I’m new

☐ Learn the way that works best for you, either:
   Use Benefits Mentor, our virtual benefits counselor. The tool will ask you questions about your health care needs and pull up your claims information from last year (if available). It will make personalized plan design recommendations after considering your medical needs and what is most important to you when choosing a health plan.
   Visit etf.wi.gov/benefits-mentor to get started.
   Or follow along in this guide. There are steps and guidance throughout.

☐ Enroll
   Once you’ve used Benefits Mentor or followed the steps in this book, follow your employer’s directions on how to enroll.

I’d like to opt out

You may be eligible to receive $2,000 for opting out of health insurance for 2023. To receive this incentive, you must opt out every year.

☐ Review eligibility and important considerations on our website
   Search for “opt out” on our website.

☐ Submit application
   STAR and UW employees can opt out electronically. Check with your employer to see if you can. If not, submit the Health Insurance Application/Change (ET-2301) form.

Contact your payroll/benefits office if you have questions.

**Pharmacy Benefit Changes**
A new specialty drug program (clear bagging) has been added through the University of Wisconsin Specialty Pharmacy for non-Medicare members receiving care within the UW Health System. This new program is limited to certain non-oncology specialty drugs. Contact your specialty drug administrator for more information.

Beginning January 1, 2023, cash payment amounts for most claims will increase.
- New for 2023: Surgical anesthesia, joint replacement, and home or vehicle modification allowance.

Health Plan Quality
Each year, participating health plans are evaluated on key care delivery areas, such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations, such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit etf.wi.gov for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

### Things to Note
- Uniform Dental coverage mirrors your health insurance coverage. Example: If you elect family health insurance with dental, you will be enrolled in family dental coverage.
- Enrollment continues each year unless you cancel during the open enrollment period. You cannot cancel the Preventive, Select, or Select Plus plans mid-year without a qualifying event.
- Make sure your dentist is covered. The Select Plan has fewer in-network dentists than the Select Plus, Uniform Dental, and Preventive plans.

How It Works

Here’s an example of how Securian Financial’s accident insurance works*: Janet elects accident coverage offered by her employer. Janet falls, breaks her leg, and spends two days in the hospital. Janet gets a payment from Securian Financial and uses the money to pay her mortgage and obtain a cleaning service.
