The HEALTH BENEFIT PROGRAM is established by Chapter 40, Subchapter IV of Wisconsin Statutes ([Wis. Stats. §40.51](#)). The DEPARTMENT administers the HEALTH BENEFIT PROGRAM on behalf of the BOARD. The CONTRACTOR must meet the minimum requirements of [Wis. Stats. Chapter 40](#) other applicable STATE and federal laws (both current as well as any new legislation passed during the term of the CONTRACT), the administrative rules of the DEPARTMENT, and the requirements in this AGREEMENT.

B. Board Authority

[Wis. Stats. § 40.03 \(6\)\(a\)](#) provides authority for the BOARD to enter into contracts with health insurance companies licensed to do business in the STATE. The BOARD establishes OPEN ENROLLMENT periods at least once per year and reserves the right to change the BENEFITS period to a fiscal year or to some other schedule that it deems appropriate.

In cases where services or data provided by the CONTRACTOR are deemed to be inadequate by the BOARD, DEPARTMENT, or the BOARD'S consulting actuary, the BOARD may take any action up to and including limiting new enrollment into the benefit plan administered by the CONTRACTOR.

The BOARD will determine all policy for the HEALTH BENEFIT PROGRAM. If the CONTRACTOR requests, in writing, that the BOARD issue HEALTH BENEFIT PROGRAM policy determinations or operating guidelines required for proper performance of the CONTRACT, the DEPARTMENT will acknowledge receipt of the request in writing and respond to the request within a mutually agreed upon time frame.

The DEPARTMENT, on behalf of the BOARD, may designate a common vendor who will provide services related to the HEALTH BENEFITS PROGRAM as the DEPARTMENT deems appropriate.

- e. The CONTRACTOR must assist with a full file comparison (FFC) of enrollment data at the frequency directed by the DEPARTMENT by submitting a file to the DEPARTMENT containing current enrollment data. The DEPARTMENT will verify that data, compare that data with the DEPARTMENT'S data, and generate an exception report. The CONTRACTOR will be responsible for resolving differences between the DEPARTMENT'S data and the CONTRACTOR'S data, updating the CONTRACTOR'S data, and informing the DEPARTMENT of changes or clarifications as appropriate.
- f. The CONTRACTOR must maintain an exception report spreadsheet that includes the error details and final resolution, and submit it to the DEPARTMENT, at the frequency directed by the DEPARTMENT.

The CONTRACTOR must issue ID cards within five (5) BUSINESS DAYS of the generation date of the enrollment file containing the addition or enrollment change, or at least ten (10) BUSINESS DAYS prior to the effective date of coverage.
- d. The CONTRACTOR must notify the DEPARTMENT Program Manager of any delays with issuing the ID cards. The CONTRACTOR must send a written notice to the DEPARTMENT Program Manager following the OPEN ENROLLMENT period regarding any anticipated delays in mailing ID cards for the following enrollment year, as well as a confirmation email indicating the date(s) that ID cards were mailed.

B. PREMIUM

This section addresses the CONTRACTOR'S and DEPARTMENT'S responsibilities related to processing PREMIUMS, as well as services that may be included or excluded from PREMIUMS.

1. Services Included in PREMIUM

- a. PREMIUMS paid to the CONTRACTOR by the DEPARTMENT are intended to pay for all services rendered by the CONTRACTOR to the DEPARTMENT. The CONTRACTOR may not charge an additional fee for any services described within this AGREEMENT.
- b. The CONTRACTOR may not invoice the DEPARTMENT or PARTICIPANTS for any services that are outside the scope of this AGREEMENT pursuant to CONTRACTOR'S role under this AGREEMENT without prior, written consent of the DEPARTMENT.

2. PREMIUM Payments from the DEPARTMENT

- a. By the end of each month, the DEPARTMENT pay CONTRACTOR for that month's PREMIUM based on the number of enrolled SUBSCRIBERS per the DEPARTMENT'S records. The DEPARTMENT will deduct the pharmacy premium, dental premium, if applicable, and other fees required by the BOARD.
- b. The CONTRACTOR must support ACH payments of PREMIUM by the DEPARTMENT.
- c. The PREMIUM includes the amount paid by the EMPLOYER when the EMPLOYER contributes toward the PREMIUM.

3. Direct Pay PREMIUMS

- a. The CONTRACTOR must collect PREMIUMS directly from certain SUBSCRIBERS identified by the DEPARTMENT. No later than the second Wednesday of the month following CONTRACTOR'S receipt of the PREMIUMS, the CONTRACTOR must credit the DEPARTMENT for the applicable portion of PREMIUMS billed and received by the CONTRACTOR. When coverage is continued, the CONTRACTOR must bill the CONTINUANT directly for required PREMIUMS.

- b. The CONTRACTOR must allow SUBSCRIBERS to submit direct pay PREMIUM payments via electronic funds transfer (EFT). Direct pay PREMIUMS may also be submitted to the CONTRACTOR via mail. If the SUBSCRIBER fails to make required PREMIUM payments by the due dates established by the CONTRACTOR, and approved by the DEPARTMENT, the healthcare coverage must be canceled by the CONTRACTOR. The CONTRACTOR must provide written notification to the DEPARTMENT within five (5) BUSINESS DAYS of receiving written notice of cancellation from the SUBSCRIBER or within one (1) month of the effective date of termination due to non-payment of PREMIUM, whichever occurs first.

4. PREMIUM Payments for Surviving DEPENDENTS

- a. PREMIUMS for surviving DEPENDENTS (except those specified in section 4.b. below) must be paid first by deductions from an annuity that the surviving DEPENDENT is receiving from the Wisconsin Retirement System. If the annuity is insufficient to allow PREMIUM deductions, then PREMIUMS will be paid directly to the CONTRACTOR by the surviving DEPENDENT.
- b. PREMIUMS for surviving DEPENDENTS of a law enforcement officer who dies in the line of duty must be paid by the fallen officer's EMPLOYER until the DEPENDENT is no longer eligible for coverage as required under [Wis. Stats. §66.0137 \(5\)](#).

5. SUBSCRIBER Nonpayment of PREMIUMS

- a. As required by federal law, if timely payment of PREMIUMS is made by the CONTINUANT in an amount that is not significantly less than the amount due, that amount is deemed to satisfy the CONTRACTOR'S requirement for the amount due. However, the CONTRACTOR may notify the CONTINUANT of the amount of the deficiency and grant a reasonable time period for payment of that amount, no less than thirty (30) calendar DAYS after the notice is mailed.
- b. The CONTRACTOR must notify the DEPARTMENT within one (1) month of the effective date of termination of coverage due to non-payment of PREMIUM. PREMIUM refunds to the CONTRACTOR are limited to one (1) month following the termination date.

6. LOCAL EMPLOYER Group Program Participation

- a. The CONTRACTOR must provide coverage for Local PARTICIPANTS deemed eligible and enrolled by the DEPARTMENT.
- b. The CONTRACTOR shall not provide claims or other rating information to individual LOCAL EMPLOYERS participating in the HEALTH BENEFIT PROGRAM.
- c. Local governments seeking to participate in the HEALTH BENEFIT PROGRAM may be subject to group underwriting and may be assessed a surcharge based on their risk, which is passed on to the CONTRACTOR at 80% and DEPARTMENT'S PBM at 20%.

C. Rate Setting

This section addresses the annual process for establishing PREMIUM rates, including prohibited fees and allocation of a quality credit.

1. Annual Rate Bidding Process

- a. Rates may be revised by the BOARD annually prior to OPEN ENROLLMENT, effective on each succeeding January 1 following the effective date of the CONTRACT.
- b. The CONTRACTOR must submit rate bid(s) for the benefit year beginning January 1 following the effective date of the CONTRACT as directed by the DEPARTMENT. The CONTRACTOR'S sealed bids are submitted in the format specified by the DEPARTMENT. The bid will be reviewed for reasonableness, considering plan utilization, experience, and other relevant factors.
- c. Bids are subject to negotiation by the BOARD. The BOARD reserves the right to reject any rate, limit new enrollment, or take other action as appropriate if the BOARD'S consulting actuary determines the CONTRACTOR has failed to include adequate documentation on the development of rates.
- d. The CONTRACTOR must submit statistical report(s) showing utilization and claims data on the CONTRACTOR'S plan as a whole if community rated, or specifically the STATE and LOCAL EMPLOYEES and DEPENDENTS covered thereunder if experience rated. If the plan is community rated, then the CONTRACTOR should provide the percentage the STATE and LOCAL EMPLOYEE groups represent of the total covered community.
- e. The BOARD will require each CONTRACTOR to provide an explanation of rate methodology and the rate calculation developed by the CONTRACTOR'S actuary or consultant along with supporting documentation deemed necessary by the BOARD'S consulting actuary.
- f. The BOARD reserves the right to reject any CONTRACTOR'S bid when the BOARD believes it is not in the best interests of the HEALTH BENEFIT PROGRAM. The BOARD reserves the right to reopen the bid process after final bids are submitted when the BOARD determines that it is in the best interests of the HEALTH BENEFIT PROGRAM.
- g. CONTRACTOR'S rates must be uniform statewide for each separate plan. CONTRACTORS may submit different rates which result from separate plans with mutually exclusive provider networks. Each network will be separately held to the Provider Access standards described in [Section III.F. Provider Access](#).
- h. The STATE and Local groups must be separately rated in accordance with generally accepted actuarial principles. The Local group is to be rated as a single entity for each plan. CONTRACTOR must provide rates for each of the plan design options for the Local group.
- i. The CONTRACTOR must submit to the DEPARTMENT (or its designee) statistical report(s) showing financial and utilization data that includes claims and enrollment information annually as required by the DEPARTMENT.
- j. The DEPARTMENT reserves the right to audit, at the expense of the CONTRACTOR, the financial and utilization data, and other data the CONTRACTOR uses to support its bid. A bid based on data which an audit later determines is unsupported is subject to re-opening and renegotiating downward.

- k. Rate adjustments, if any, required for a benefit mandated by applicable STATE or federal law will occur on January 1 after the next benefit period begins unless otherwise mutually agreed to by the CONTRACTOR and the DEPARTMENT in writing.
- l. CONTRACTOR'S rates may not exceed the calculated rate in the utilization data submission without written justification.
- m. The CONTRACTOR must provide coverage and rates for the following PREMIUM categories allowed by the BOARD:
 - i. Individual (EMPLOYEE Only);
 - ii. Family (EMPLOYEE Plus Eligible DEPENDENTS); and
 - iii. Family rates (regular coverage) must be 2.5 times the individual rate.
- n. The CONTRACTOR must provide coverage and rates for the following HEALTH BENEFIT PROGRAM options:
 - i. Program Option 01 (STATE \$250 deductible health plan and HDHP);
 - ii. Program Option 02/12 (Local Traditional Plan);
 - iii. Program Option 04/14 (Local Deductible Plan);
 - iv. Program Option 06/16 (Local Health Plan);
 - v. Program Option 07/17 (Local HDHP); and
 - vi. Program Option 08 (Local Annuitant Health Program - LAHP).
- o. The CONTRACTOR must offer the following Medicare coordinated coverage for the program options allowed by the BOARD:
 - i. Individual: Individual rates must be justified by experience and may not exceed the calculated rate in the utilization data submission without written justification. Rates may not exceed 50% of the individual rate for regular, non-Medicare coverage, unless the BOARD'S consulting actuary determines that percentage to be lower.
 - ii. Family 2 (all PARTICIPANTS under Medicare): Medicare Family 2 eligible rates must be twice the individual Medicare coordinated rate.
 - iii. Family 1 (at least 1 under Medicare, at least 1 other not under Medicare): Medicare Family 1 rates must be the sum of the individual rate for regular coverage and the individual rate for Medicare-eligible coverage. Any administrative fees may only be assessed once for this family PREMIUM rate.
- p. The CONTRACTOR must provide rates for Graduate Assistants, regardless of geographic area of operation, as follows:
 - i. Individual: Individual rate must be within a range of 65% to 75% of the individual regular coverage rate.
 - ii. Family: Family rate must be within a range of 65% to 75% of the family regular coverage rate.
- q. Local Program Option rates are based on the relative value of these plans to the Traditional Plan (Program Option 02/12). The ratio is to be determined annually by the BOARD'S consulting actuary.

- r. Local Traditional Program Option rates must be no greater than 1.5 times the rate for the STATE program unless the Local group is sufficiently large that the rate is justified by experience, as determined by the BOARD'S consulting actuary.
- s. The BOARD will consider rate proposals outside of these standards if the variation is supported by evidence of demographic differences other than age or sex or is required by federal or STATE HMO regulations to be community-rated. Otherwise, aberrations will be adjusted by the BOARD upward or downward to the nearest within-range percentage to conform to these requirements.
- t. The BOARD will assess administration fees to cover expenses of the DEPARTMENT. This charge is added by the BOARD to the rates quoted by each CONTRACTOR and is collected prior to transmittal of the PREMIUMS to the CONTRACTOR.
- u. The CONTRACTOR will have the option of accepting adjusted and/or negotiated rates or withdrawing from the HEALTH BENEFIT PROGRAM. CONTRACTOR must notify the DEPARTMENT of withdrawal from the HEALTH BENEFIT PROGRAM before final bid offers are due.

2. Prohibited Fees

The CONTRACTOR is prohibited from including in their premium bid or rates:

- a. The cost to handle any claims paid outside of UNIFORM BENEFITS.
- b. The cost to administer any optional health and wellness benefit(s) beyond UNIFORM BENEFITS, except as approved by the DEPARTMENT.
- c. Any fees that are not pre-approved by the BOARD, including, but not limited to travel and meal expenses.

3. Quality

- a. The CONTRACTOR must collect Healthcare Effectiveness Data and Information Set (HEDIS) measures and administer the Consumer Assessment of Healthcare Providers and Systems (CAHPS) survey as specified by the National Committee for Quality Assurance (NCQA) guidelines. Upon request by the DEPARTMENT, the CONTRACTOR must provide information about subcontractors used to audit the HEDIS results and administer the CAHPS survey.
- b. The CONTRACTOR must submit to the DEPARTMENT audited HEDIS data results annually for the previous calendar year for its contracted membership that includes HEALTH BENEFIT PROGRAM PARTICIPANTS. The results must include integration of the prescription drug data from the PBM. If CONTRACTOR uses a vended solution to produce HEDIS results, CONTRACTOR must utilize a vendor certified by NCQA.
- c. The CONTRACTOR must submit to the DEPARTMENT the results of its annual CAHPS survey to the DEPARTMENT. Results must be based on responses for its contracted membership that includes HEALTH BENEFIT PROGRAM PARTICIPANTS. The survey must be conducted by a certified CAHPS survey vendor. Results must utilize the current version of the CAHPS survey as specified by the NCQA guidelines at the time the survey is administered. Results must be for

each standard NCQA composite. Results must be submitted annually and in a file format as specified by the DEPARTMENT.

- d. The DEPARTMENT will utilize the supplied HEDIS and CAHPS data for the calculation of the quality credit, which is a financial incentive to encourage quality improvement built into the rate setting process. Quality measures for the quality credit will be established annually by the DEPARTMENT in cooperation with CONTRACTORS.

D. Data and Information Security

This section addresses requirements regarding the process of protecting data used in the course of administering the services described in this AGREEMENT from unauthorized access and data corruption.

1. Information Systems

- a. The CONTRACTOR'S systems must have the capability of adapting to any future changes that become necessary as a result of modifications to the STATE and Local programs and their requirements. The CONTRACTOR'S systems must be scalable and flexible so they can be adapted as needed, within negotiated timeframes, as requirements may change.
- b. The CONTRACTOR shall not undertake a major system change or conversion for, or related to, the system used to deliver services for the HEALTH BENEFIT PROGRAM during the term of the CONTRACT without specific, prior written notice of at least one hundred eighty (180) calendar DAYS to the DEPARTMENT. Examples of a major system change include a new platform for enrollment, claims payment or data submission system. This does not apply to any program fixes, modifications, or enhancements. If the CONTRACTOR has plans to migrate to a different data or web platform, the DEPARTMENT must be notified no less than one hundred eighty (180) calendar DAYS in advance of the migration.
- c. The CONTRACTOR must transmit data SECURELY using current industry standard SECURE transmission protocols (e.g., sFTP/SSH or SSL/TLS). This may require software on desktops or an automated system that collects files from the CONTRACTOR'S repository and SECURELY transmits data.
- d. All related hardware, software, firmware, protocols, methods, policies, procedures, standards, and guidelines that govern, store, or transport the data must be implemented in manners consistent with current industry standards, such as, but not limited to the Health Insurance Portability and Accountability Act (HIPAA), Genetic Information Nondiscrimination Act (GINA), National Institute of Standards and Technology (NIST) 800-53, and Center for Internet Security (CIS) Critical Security Controls to ensure the protection of all DEPARTMENT data.
- e. The CONTRACTOR'S staff must be trained and follow SECURE computing best practices. Wireless networks must be protected using strong encryption and password policies. Connectivity to all networks, wired or wireless, must be protected from unwanted/unknown connections.
- f. All data backups must be handled or transmitted SECURELY. Offsite storage must be audited for compliance (i.e., physical security, all used tapes are accounted for). A business recovery plan must be documented and tested annually, at a minimum, by the CONTRACTOR, and submitted to the DEPARTMENT within sixty (60) calendar DAYS following the end of each calendar year.

This member ID is transmitted to and must be stored by the CONTRACTOR to communicate information about PARTICIPANTS. The CONTRACTOR must support use of the DEPARTMENT'S member ID in all interfaces that contain PARTICIPANT data. Further, the CONTRACTOR must supply member ID values on any communication or data transmission that refers to individual PARTICIPANTS, including but not limited to HIPAA 834 file transfers, reports, data extracts, and invoices. Given the ubiquitous and central nature of the member ID in the DEPARTMENT'S systems, it is strongly preferred that the member ID is stored in the CONTRACTOR'S system directly, thereby facilitating ad hoc queries, data integrity, and referential integrity within the CONTRACTOR'S system. Any costs incurred by the DEPARTMENT because of CONTRACTOR'S failure to comply with this requirement will be paid by the CONTRACTOR.

- b. The CONTRACTOR must follow the DEPARTMENT'S SECURE file transfer protocols (sFTP) using the DEPARTMENT'S sFTP site to submit and retrieve files from the DEPARTMENT or provide another acceptable means for the SECURE, electronic exchange of files between the CONTRACTOR and the DEPARTMENT, as approved by the DEPARTMENT.

- d. The CONTRACTOR agrees to use the identification (ID) numbers established by the DEPARTMENT for both the group and the SUBSCRIBER. ID numbers must not correlate to Social Security numbers. Social Security numbers must be incorporated into the PARTICIPANT'S data file and may be used for identification purposes only and not disclosed and used for any other purpose, unless the parties have agreed upon a different identification system. The CONTRACTOR must keep a record of Social Security numbers for providing data and other reports to the DEPARTMENT or its authorized vendors and track the eight (8)-digit, unique member ID number that is assigned by the DEPARTMENT. Any costs incurred by the DEPARTMENT because of CONTRACTOR'S failure to comply with this requirement will be paid by the CONTRACTOR.

- f. For data transfers between vendors of STATE and Local programs not specified in this AGREEMENT, the CONTRACTOR must establish vendor to vendor data transfers within ninety (90) calendar DAYS of written notification from the DEPARTMENT to do so. Such data must be accurate, complete, and timely. The CONTRACTOR must not place restrictions on the use of the data provided to the STATE and Local program vendors.

- d. During the onboarding of a new CONTRACTOR, the CONTRACTOR will have two (2) chances to submit acceptable data as described in subsection III.D.6.a. above to the DEPARTMENT'S data warehouse. The DEPARTMENT will charge the CONTRACTOR a penalty for each data file submitted after the second submission not accepted by the DEPARTMENT'S data warehouse vendor. During the ongoing operation of the DEPARTMENT'S data warehouse, if the DEPARTMENT'S data warehouse vendor notifies the CONTRACTOR of an error on its initial data submission, as described in subsection III.D.6.a. above, the CONTRACTOR will have one opportunity to submit a corrected data file. If the CONTRACTOR requires additional submissions to correct identified errors, the DEPARTMENT will charge the CONTRACTOR a penalty as described in [Section IV.C. The DEPARTMENT may accept a shorter period of notice when circumstances justify.
- c. The DEPARTMENT and the BOARD agree to keep the information disclosed as required above confidential under [Wis. Stat. § 19.36 \(5\)](#) of the Wisconsin Public Records Law until the earliest of one of the dates noted in section III.H.8.d. below, unless:
 - i. The CONTRACTOR waives confidentiality, or

Written inquiries received by the CONTRACTOR not related to BENEFITS determinations must be resolved by the CONTRACTOR within ten (10) BUSINESS DAYS following the CONTRACTOR'S receipt of the inquiry.
- d. If any PARTICIPANT has a problem or complaint relating to a determination of BENEFITS, the PARTICIPANT should contact the CONTRACTOR. The CONTRACTOR must assist the PARTICIPANT in trying to resolve the matter on an informal basis and may initiate a claim review of the BENEFITS determination. If the PARTICIPANT wishes, they may omit this step and immediately file a formal grievance. A claim review is not a substitute for a grievance.

The request must be received by the DEPARTMENT within sixty (60) calendar DAYS of the date of the DEPARTMENT'S final review letter.
- c. The determination of the DEPARTMENT is final and not subject to further review unless the PARTICIPANT submits a timely appeal of the determination by the DEPARTMENT to the BOARD, as provided by [Wis. Stat. § 40.03 \(6\) \(i\)](#) and [Wis. Adm. Code ETF 11.01 \(3\)](#).

See [Section III.I.6. External Review](#).
- e. If the PARTICIPANT disagrees with a determination by the DEPARTMENT, the PARTICIPANT may submit an appeal to the BOARD, as provided by Wis. Stat. § 40.03 (6) (i) and . This process may include an administrative hearing. The CONTRACTOR must, upon the DEPARTMENT'S request, participate in all administrative reviews, including administrative hearings, requested by PARTICIPANTS or the CONTRACTOR, as determined by the DEPARTMENT. The hearings must be conducted in accordance with the guidelines, rules, and regulations promulgated by the DEPARTMENT.

- b. Information may include complete copies of grievance files, medical records, consultant reports, customer service contact worksheets or any other documentation the DEPARTMENT deems necessary to review a PARTICIPANT complaint, resolve disputes or to formulate determinations. 9. Notification of Legal Action

I. QUARTERLY Performance Standards and Penalties

Instructions for submissions and specific due dates will be provided by the DEPARTMENT annually.

CONTRACTOR monthly statistics for each QUARTERLY performance standard will be averaged by the DEPARTMENT for each QUARTER to determine the penalty. Penalty calculation example:

If the performance standard is 98% and the CONTRACTOR reports monthly statistics of 79%, 82%, and 98% for the 3 months of the QUARTER, the penalty would be based on the average of the percentages for the 3 months for the performance standard, which, in this case, equals 86.33% for the QUARTER. The penalty is assessed for each percentage point or fraction thereof (rounded to two decimal places) under the performance standard of 98% ($98 - 86.33 = 11.67$). If the penalty is \$1,000 for each percentage point or fraction thereof under 98%, the penalty would be \$1,000 x 11.67, or \$11,670 for the performance standard penalty for that QUARTER.
