About This Guide

Your Enrollment Checklist

I'm happy with my benefits

Review changes for next year

Each year there are changes to your benefits. Review benefits you are enrolled in. Make sure that your plan is still available in your area.

- You do not need to reenroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now. Double check that your providers are still available.
- Every year, you may need to reenroll for other options, such as an FSA, if offered by your employer.

Make sure your doctors are still covered

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

Questions?

Employees: Contact your payroll/benefits office.

Retirees: Contact ETF at 1-877-533-5020.

Health Plans

Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

Health Plan Changes

Dean Health Plan - Prevea360 West and Mayo Clinic will now be known as *Dean Health Plan - Medica West and Mayo Clinic Health System*.

State Maintenance Plan

The State Maintenance Plan (SMP) is a health plan that offers Uniform Benefits. SMP is designed to provide a health plan option for members who live or work in areas without adequate access to in-network providers or hospitals.

See the State Maintenance Plan (SMP) by Dean Health Plan web page at etf.wi.gov for more information.

Benefit Changes

Medical Benefit Changes

The Group Insurance Board approved the following medical benefit changes effective January 1, 2025:

- Expanded the lifetime limit on orthoptic eye training from two to no more than twelve.
- Clarified nutritional counseling coverage. The certificate language was clarified to allow for nutritional counseling services related to weight management.

Accident Plan and Life Insurance

Introducing Empathy

Available at no cost, Empathy is a service that offers a holistic approach to bereavement support by providing insured individuals and beneficiaries personalized guidance and care for the administrative, emotional, legal, and financial challenges both when preparing for a loss and after their loved one passes away.

Empathy is available for members and their beneficiaries enrolled in the Accident Plan and/or the Group Life Insurance Program. Access to Empathy is made available during the claims process.

Reminders for Participants *without* Medicare

To learn more on preventive drug coverage, visit etf.wi.gov/preventive-drugs-covered-100

Attend an Insurance Benefits Forum

ETF will be hosting a number of virtual forums during the open enrollment period for you to learn about the 2025 plan year. You'll have the opportunity to ask questions directly to health plans and vendors like Delta Dental and WebMD. Visit etf.wi.gov/insurance to register.

No matter which plan design option or health plan you choose, the same in-network services are covered (Uniform Benefits). The main differences are premiums, if you can see providers locally or nationwide, and out-of-network benefits.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit etf.wi.gov for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

Monthly Premiums - Participants without Medicare

Delta Dental PPO Plus Premier™ - Select Plus Plan

Step 2: Add more coverage if needed

Things to Note

When this happens, your medical premium will be reduced and you will become eligible to change your health insurance plan due to gaining Medicare. Visit the ETF website for more information. Watch the New to Medicare video at etf.wi.gov/video/new-medicare for more on what Medicare means for your health benefits.
