

2026 Insurance Benefits Decision Guide

State of Wisconsin Group Health Insurance for Employees

ET-2107 (8/28/2025)

About This Guide

This guide provides an overview of benefits available to you for 2026; open enrollment is **October 6-31, 2025**. Visit **etf.wi.gov/insurance** for complete information.

Your Enrollment Checklist

I'm happy with my benefits

- ☐ **Review changes for next year**
Each year there are changes to your benefits. Review benefits you are enrolled in. Make sure that your plan is still available in your area. You do not need to reenroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now.

Every year, you *do* need to reenroll for other options, like an FSA account.

- ☐ **Make sure your doctors are still covered**

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

- ☐ **Reenroll in pre-tax savings accounts**
If you have any of the following accounts, you must reenroll each year:

- Health Care Flexible Spending Account (FSA)
- Limited Purpose Flexible Spending Account (LPFSA)
- Dependent Day Care Account
- Parking & Transit Accounts
- Health Savings Account (HSA)

See more on page 16 and visit our website for enrollment instructions.

I'd like to make a change or I'm new

- ☐ **Learn the way that works best for you**

Review benefits you are enrolled in and visit **etf.wi.gov/insurance** for complete benefits information, videos to help you review your options, and virtual vendor forums hosted by health plans and other vendors.

Or follow along in this guide. There are steps and guidance throughout.

- ☐ **Enroll**

Once you've reviewed benefits available to you, follow your employer's directions on how to enroll.

I'd like to opt out

You may be eligible to receive \$2,000 for opting out of health insurance for 2026. To receive this incentive, **you must opt out every year**.

- ☐ **Review eligibility and important considerations on our website**

Search for "opt out" on our website.

- ☐ **Submit application**

STAR and UW employees can opt out electronically. Check with your employer to see if you can. If not, submit the *Health Insurance Application/Change* (ET-2301) form.

Contact your payroll/benefits office if you have questions.

What's Changing in 2026

Health Plans

Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

Health Plan Name Changes

- Dean Health Plan - Medica West and Mayo Clinic Health System will be Medica West and Mayo Clinic Health System.
- Common Ground Healthcare Cooperative will be CareSource.
- Dean Health Plan-Prevea360 East will be Prevea 360 East.
- Dean Health Plan will be Dean Health Plan by Medica.
- The Access Plan by Dean will be the Access Plan.

Benefit Changes

Medical Benefit Changes

The Group Insurance Board approved the following medical benefit change effective January 1, 2026: Coverage for Continuous Glucose Monitors (CGMs) will be under the pharmacy benefit through Navitus Health Solutions (Navitus) only.

The annual medical deductible for the High Deductible Health Plan (HDHP) and Access HDHP has increased to comply with federal requirements: Individual has increased to \$1,700; Family has increased to \$3,400.

New Vision Vendor

MetLife will be administering the vision program starting January 1, 2026. If you are currently enrolled in the vision program, your enrollment will continue with MetLife. Members will not receive or need an ID card for MetLife Vision Insurance; just let your provider know you have MetLife. To learn more about the vision program under MetLife, see page 13.

Preventive Care Reminder

Your health plan pays 100% of certain preventive care services with no out-of-pocket costs to you. Preventive care is routine health care that includes screenings, checkups, and patient counseling to help prevent illnesses or other health problems. To learn more, visit etf.wi.gov/preventive-care-services-covered-100.

New Administrator for Pre-Tax Savings Accounts

Total Administrative Services Corporation (TASC) is the new administrator for pre-tax savings accounts:

- Health Savings Account (HSA)
- Health Care Flexible Spending Account (FSA)
- Limited Purpose Flexible Spending Account (LPFSA)
- Dependent Day Care Account
- Parking Account & Transit Account

Members must reenroll for 2026. Elections do not carry forward from year to year. Members who enroll in a flexible spending or commuter benefit account must have a minimum annual contribution amount of \$50. If you do not reenroll and there is less than \$50 in your account, you may lose any money left.

See page 16 for Pre-Tax Savings Program details.

TASC will send direct communications to current members about 2025 HSA transfer of assets and carryovers to 2026.

Accident Plan Enrollment

For Universities of Wisconsin Employees only:

If you currently have a Securian Accident Plan that covers any dependents (spouse and/or children), you must reenroll the dependents in the Accident Plan during open enrollment to have coverage that continues past January 1, 2026. If you do not, your dependents will no longer have Accident Plan coverage, and your plan will change to individual coverage for only you as the subscriber.

Attend an Insurance Benefits Forum

ETF will be hosting a number of virtual forums during the open enrollment period for you to learn about the 2026 plan year. You'll have the opportunity to ask questions directly to health plans and vendors like TASC, MetLife, Delta Dental, Navitus, Securian Financial, and WebMD. Visit etf.wi.gov/insurance to register.

Step 1: Choose a Plan Design

A plan design determines:

- How much you pay per month
- How much you pay when you visit a provider
- Whether you can see providers locally or nationwide
- If you can see providers out-of-network

Monthly Cost (Premium)

	IYC Health Plan	High Deductible Health Plan (HDHP)	Access Plan	Access HDHP

Employees appointed fewer than 1,040 hours (50% of full time) pay 50% of the total monthly premium; visit etf.wi.gov for full premium amounts.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit **etf.wi.gov** for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

Step 3: Consider Supplemental Benefits

Get even more coverage by signing up for dental, vision, or accident insurance.

Get a tax break and save money by contributing to a pre-tax savings account for health care, dependent day care, or work-related parking/transit expenses.

Dental Insurance

Step 1: Sign up for basic coverage

Get covered for basic procedures such as cleanings, fluoride treatment, fillings, and orthodontia

How It Works

Here's an example of how Securian Financial's accident insurance works*: Janet elects accident coverage offered by her employer. Janet falls, breaks her leg, and spends two days in the hospital. Janet gets a payment from Securian Financial and uses the money to pay her mortgage and obtain a cleaning service.

Everyone experiences changes in mental health from day to day. Even those who are never diagnosed with a mental health condition can struggle with challenges that impact their mental well-being.
