About This Guide

This guide provides an overview of benefits available to you for 2026; open enrollment is **October 6-31, 2025**. Visit **etf.wi.gov/insurance** for complete information.

Your Enrollment Checklist

I'm happy with my benefits

☐ Review changes for next year

Each year there are changes to your benefits. Review benefits you are enrolled in. Make sure that your plan is still available in your area.

- You do not need to reenroll in health, dental, or vision insurance each year if you want to keep the same coverage you have now. Double check that your providers are still available.
- Every year, you may need to reenroll for other options, such as an FSA, if offered by your employer.

☐ Make sure your doctors are still covered

Go to our website to see the provider directory for your health plan.

If you are not changing health coverage, no action is needed.

Questions?

Employees: Contact your payroll/benefits office.

Retirees: Contact ETF at 1-877-533-5020.

I'd like to make a change or I'm new

☐ Follow the steps in this guide

There are steps and guidance throughout. Review benefits you are enrolled in and visit **etf.wi.gov/insurance** for complete benefits information, videos to help you review your options, and virtual vendor forums hosted by health plans and other vendors.

Are you an employee? Are you a retiree without Medicare and all members on your health insurance do not have Medicare?

Pick a health plan for participants without Medicare. All members will have the same health plan.

Are you a retiree with Medicare and non-Medicare members on your health insurance?

Pick a Medicare health plan.

- If IYC Medicare Advantage or Medicare Plus is selected, then pick a second plan for your non-Medicare members.
- If Health Plan Medicare is selected, your non-Medicare members will have the same health plan, just the non-Medicare version.

Are you a retiree with Medicare and all members on your health insurance are enrolled in Medicare Parts A and B?

Pick a Medicare health plan. All members will have the same health plan.

☐ Enroll

Employees: Contact your payroll/benefits office.

Retirees: Complete a *Health Insurance Application/Change for Retirees* (ET-2331), available online or from ETF.

What's Changing in 2026

Health Plans

Changes can happen each year. Use the health plan search on our website to find health plans and covered providers where you receive care.

Health Plan Name Changes

- Dean Health Plan - Medica West and Mayo Clinic Health System will be Medica West and Mayo Clinic Health System.
- Common Ground Healthcare Cooperative will be CareSource.
- Dean Health Plan-Prevea360 East will be Prevea 360 East.
- Dean Health Plan will be Dean Health Plan by Medica.
- The Access Plan by Dean will be the Access Plan.
- The State Maintenance Plan (SMP) by Dean Health Plan will be the State Maintenance Plan (SMP).

State Maintenance Plan

The State Maintenance Plan (SMP) is a health plan that offers Uniform Benefits. SMP is designed to provide a health plan option for members who live or work in areas without adequate access to in-network providers or hospitals.

See the SMP web page at etf.wi.gov for more information.

Benefit Changes

Medical Benefit Changes

The Group Insurance Board approved the following medical benefit changes effective January 1, 2026:

- For Non-Medicare Members: Coverage for Continuous Glucose Monitors (CGMs) will be under the pharmacy benefit through Navitus Health Solutions (Navitus) only.
- Medicare Advantage subscribers and spouses can earn the \$150 Well Wisconsin incentive starting in 2026. Visit webmdhealth.com/wellwisconsin for more information and to get started.

New Vision Vendor

MetLife will be administering the vision program starting January 1, 2026. If you are currently enrolled in the vision program, your enrollment will continue with MetLife. Members will not receive or need an ID card for MetLife Vision Insurance; just let your provider know you have MetLife. To learn more about the vision program under MetLife, see page 19.

Preventive Care Reminder

Your health plan pays 100% of certain preventive care services with no out-of-pocket costs to you. Preventive care is routine health care that includes screenings, checkups, and patient counseling to help prevent illnesses or other health problems. To learn more, visit etf.wi.gov/preventive-care-services-covered-100.

Attend an Insurance Benefits Forum

ETF will be hosting a number of virtual forums during the open enrollment period for you to learn about the 2026 plan year. You'll have the opportunity to ask questions directly to health plans and vendors like Delta Dental, MetLife, Navitus, Securian Financial, and WebMD. Visit etf.wi.gov/insurance to register.

For Participants without Medicare

No matter which plan design option or health plan you choose, the same in-network services are covered (Uniform Benefits). The main differences are premiums, if you can see providers locally or nationwide, and out-of-network benefits.

Health Plan Quality

Each year, participating health plans are evaluated on key care delivery areas such as wellness, prevention, disease management, customer satisfaction, and efficient use of resources. Participating health plans report health care quality outcomes to leading national organizations such as the National Committee for Quality Assurance (NCQA) and the Centers for Medicare & Medicaid Services (CMS). Visit **etf.wi.gov** for more information about health plan quality. You can use these quality resources to help make an informed decision about which health plan is right for you.

Monthly Premiums - Participants without Medicare
