Your Medicare Eligibility

Because you retired due to a disability, you may be eligible for Medicare benefits. Medicare eligibility related to disability is available to persons who have received Social Security disability benefits for at least 24 months, who have End Stage Renal Disease (ESRD) or Lou Gehrig's Disease (ALS).

Your coverage in the State or the Wisconsin Public Employers Group Health Insurance Program may continue as a recently retired employee. If coverage continues, **You and/or your insured dependents must be enrolled for both portions of Medicare** (Hospital Part A and Medical Part B), **when first eligible**. This is required by state statute, as the programs are designed to integrate with, rather than duplicate, Medicare benefits. You may contact the **Social Security Administration at 1-800-772-1213** or visit <u>www.ssa.gov</u> for information on eligibility and how to enroll.

What You Need to Do

If you are eligible for Medicare, **please complete the enclosed** *Medicare Eligibility Statement* **(ET-4307).** Be sure to enter the Medicare number and Parts A and B effective dates, then sign and date the form. Return the form along with a photocopy of your Medicare card in the enclosed envelope to the Department of Employee Trust Funds (ETF). We must be provided proof of Medicare enrollment.

If you have not received your Medicare card (s), you may also send ETF a copy of other correspondence from the Social Security Administration that shows your Medicare number and the effective dates instead of a copy of your Medicare card. Visit either website below to obtain this information online:

- <u>www.ssa.gov</u> (Under "Get a benefit verification letter")
- <u>www.mymedicare.gov</u>

- Important Medicare Information
 - Your group health insurance coverage will be transferred to a plan integrated with Medicare effective on the first of the month in which you are required to be enrolled in Medicare under the group health insurance program. The amount of your monthly premium will be reduced. Please note that premiums can only be adjusted in accordance with the contract. We will notify your health insurance plan of the change in your status.

You can also choose a different health plan when you enroll in Medicare Parts A and/or B. Please submit a *Health Insurance Application/Change for Retirees* (ET-2331) form if you wish to change your health plan. *If your Medicare Parts A and B coverage are not effective on or before the first of the month in which you are required to be enrolled in Medicare, you will be liable for the claims Medicare would have paid.*

- It is your responsibility to notify us when other family members covered under your policy become eligible for Medicare. This will ensure that your coverage and premium amount remain correct.
- In most circumstances, you should present both your health insurance plan ID card and your Medicare ID card to your medical provider when receiving services.
