

State of Wisconsin Group Health Insurance Fact Sheet 2023

The State of Wisconsin Group Health Insurance Program (GHIP) is an employer-sponsored program offering group health coverage to employees of state agencies, UW System, UW Hospital & Clinics Authority and participating local government employers. Employees may choose between different plan types, including health maintenance organizations (HMOs, which have a specific provider network), preferred provider organization plans (PPOs, which have a specific provider network but also have a higher-cost out-of-network option), and a high deductible option, referred to as a High Deductible Health Plan (HDHP). Each health plan also has a Medicare option.

Program Review

- Created by Chapter 40 of the Wisconsin Statutes.
- The Department of Employee Trust Funds and the Group Insurance Board (GIB) have statutory authority for program administration and oversight [Wis. Stat. § 15.165 (2) and 40.03 (6)]. All health plans follow GIB guidelines for eligibility and program requirements.
- The Access Health Plan and State Maintenance Plan (SMP) are PPO options administered by Dean Health Plan. Both plans offer Uniform Benefits and the IYC Access Plan offers a nationwide provider network. SMP is available in counties without a qualified health plan.
- All pharmacy benefits are self-insured by the Trust Fund and administered by Navitus Health Solutions. This includes providing Medicare Part D benefits through an Employer Group Waiver Plan for both the state and local government employee programs.

Health Insurance Choices

Active employees:

- Employees have a choice of health plans provided by 10 health carriers that have service areas throughout the state. All plans offer the same medical benefits, called Uniform Benefits. The Access Health Plan has the broadest provider network and offers out-of-network benefits with lower out-of-pocket costs than other PPOs.
- Local government employers choose from a variety of plan designs to offer to their employees and retirees. For example, an employer can choose to offer only the HDHP option.

Retirees:

- Retirees may choose from the same health plans and service areas as active employees. Members enrolled in the Access Health Plan or SMP switch to Medicare Plus on their Medicare-effective date. Retirees enrolled in Medicare may also choose IYC Medicare Advantage plan offered by UnitedHealthcare. Retirees enrolled in Medicare are not eligible to elect an HDHP.

Eligibility and Enrollment: Who is eligible for health insurance?

- State employees participating in the Wisconsin Retirement System.
- Elected state officials and members or employees of the legislature.
- Authorities specified in Wis. Stat. § 40.02 (54).
- University of Wisconsin System: visiting faculty, graduate assistants employed at least one-third of full-time.
- State retirees, their surviving spouses and/or dependents.
- Former employees who have 20 years of state service.
- Retired employees receiving a WRS benefit (former participants of their employer's group health insurance plan).
- Insured employees who termed WRS employment after meeting minimum retirement age, have 20 years of WRS creditable service and deferred taking their benefit.

Total GHIP enrollees as of January 2023:

- State employee health benefit plans:
 - 163,056 active employees and their dependents
 - 42,772 retirees and their dependents

- Wisconsin public (local government) employers that have elected to participate:
 - 31,977 active employees and their dependents
 - 2,951 retirees and their dependents

Coverage Options

- Individual (subscriber only) or family (includes legal spouse and all dependent children).
- Continuation coverage (COBRA): In cases where active coverage ends, continuation allows an extension of coverage for up to 36 months at group rates. The subscriber pays the full premium.
- It's Your Choice open enrollment: annual opportunity for eligible employees and annuitants to change from one health plan to another, to change from individual to family coverage or newly elect or cancel coverage for the upcoming year. *Note:* Retirees choosing the Local Annuitant Health Program (LAHP) are only eligible to enroll at retirement and upon Medicare Part A and B enrollment.

Employee Share of Premium

The 2023 employee share of premium contributions for most employees is based on the level of benefits they choose. The chart below shows the 2023 employee premium contribution amounts.

Retirees: Retirees do not have an employer contribution and will pay the full insurance premium. State retirees' sick leave credits can offset premium payments

Health Plan Choice	State and UW Employee Premium Contribution <i>Does not include UW graduate assistants or short-term academic staff</i>		UW Graduate Assistant Premium Contribution <i>Includes graduate assistants and short-term academic staff only</i>	
	Individual	Family	Individual	Family
