Both pages of this form must be completed, and an agent signature is required. Please email the completed, signed form to ETFSMBEmployerSecurityAccess@etf.wi.gov. Do not mail. If you cannot email, please fax to: 608-266-5801.

Please note the following:

Request Type

- A WRS Case Manager will contact new users directly with their username and temporary password.
- Existing users requiring a change in access, contact information, or a name change will be notified by email once the request is complete.
- Updating an existing user's last name will result in a new username. The existing password and security questions will not change.
- New users are automatically subscribed to ETF E-mail Updates, an ETF email service providing employers with
 important ETF benefits administration information. It is the user's responsibility to read, forward to others in your
 agency as necessary, and take the necessary action related to information in each ETF E-mail Update. Add
 etfwi@public.govdelivery.com to your email address book to prevent news from ETF from ending up in a SPAM folder.
- If a user account is not used over a six-month period, the account will be disabled and deleted. An Online Access Security Agreement will need to be resubmitted if the impacted user needs to regain access.
