

## One Less Thing to Worry About

We know there is a lot to take in when you're starting a new job, but finding the right benefits for your needs is going to be a piece of cake. Simply visit ALEX® to get a plain-English (not insurance-talk) walkthrough of your options. ALEX will point out the plans that fit you best so you can complete your enrollment process and focus on your new role.

**Make short work of picking your benefits at
