5: Proposer Agreement: Wisconsin's Cooperative Purchasing Service					
Wisconsin statutes (s. 16.73, Wis. Stats.) establish authority to allow Wisconsin municipalities to purchase from state contracts. Participating in the service gives vendors opportunities for additional sales without additional bidding. Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (2), Wis. Stats.					
Interested municipalities:

The State of Wisconsin is not party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.					
Proposers may or may not agree to furnish the commodities or services of this proposal to Wisconsin municipalities. A vendor's decision on participating in these services has no effect on awarding this contract.					
Proposer: Please indicate your willingness to furnish the commodities or services to Wisconsin municipalities by checking the appropriate box below.					
☐ <u>I Agree</u> to furnish the commodities or services of this proposal to Wisconsin municipalities with any special conditions noted below.
