Upon termination, cancellation, expiration, or other conclusion of the Agreement, MILLIMAN shall:

1. Return to ETF or, if return is not feasible, destroy all Personal Information in whatever form or medium that MILLIMAN received from or created on behalf of ETF. Acceptable methods for destroying Personal Information include: (i) paper, film, or other hard copy media shredded or destroyed in order that Personal Information cannot be read or reconstructed; and (ii) electronic media cleared, purged or destroyed consistent with the standards of the National Institute of Standards and Technology (NIST). HHS specifically excluded redaction as a method of destruction of Protected Health Information, unless the information is properly redacted so as to be fully de-identified.

ETF hereby acknowledges and agrees that infeasibility includes MILLIMAN's need to retain Personal Information for purposes of complying with its work product documentation standards, and that for such a retention, no further notification or approval of ETF is required. Upon mutual agreement of the Parties that return or destruction is not feasible, MILLIMAN shall extend the protections of this Agreement to Personal Information received from or created on behalf of ETF, and limit further uses and disclosures of such Personal Information, for so long as MILLIMAN maintains the Personal Information.
- E. **Agreement to Amend Agreement.** The parties to this contract acknowledge that federal laws relating to transactions, security and privacy are rapidly evolving and that amendment to this Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, HITECH and their implementing regulations. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Agreement embodying written assurances consistent with the standards and requirements of HIPAA, HITECH and applicable federal regulations. If this Agreement is not amended by the effective date of any final regulation or amendment to final regulations with respect to HIPAA and HITECH, this Agreement will automatically be amended on such effective date such that the obligations they impose on the parties remain in compliance with the regulations then in effect.

PART IV – GENERAL PROVISIONS

- A. **Conflict.** The provisions of this Agreement override and control any conflicting provision of the Underlying Contract. All non-conflicting provisions of the Underlying Contract remain in full force and effect.
- B. **Election to Not Treat As Representative.** Nothing in this Agreement shall be construed to limit the discretion of ETF, under 45 C.F.R. § 164.502 (g) (5), to elect not to treat a person as the representative of an individual.

- G. **Independent Contractors.** MILLIMAN and ETF are independent contractors and this Agreement will

not establish any relationship of partnership, joint venture, employment, franchise, or agency between MILLIMAN and ETF. Neither MILLIMAN nor ETF will have the power to bind the other or incur obligations on the other party's behalf without the other party's prior written consent, except as otherwise expressly provided in this Agreement.
